TWENTY-SECOND REPORT

FROM

THE ECCLESIASTICAL COMMISSIONERS FOR ENGLAND.

TO THE RIGHT HONOURABLE HER MAJESTY'S PRINCIPAL SECRETARY OF STATE FOR THE HOME DEPARTMENT, &c. &c. &c.

THE Ecclesiastical Commissioners for England submit, in accordance with the 26th Section of the Act 13 & 14 Vict. c. 94, and the 10th Section of the Act 17 & 18 Vict. c. 116, a Report of their proceedings for the year preceding the 1st of November 1869.

An abstract of the accounts of the Commissioners for the same period is annexed, in compliance with the directions of the firstly-named Act. See Appendix, No. 1, p. 13. The Report of the Auditor will be found at page 30.

The grants which have been made by the Commissioners to Benefices, Districts, and new Parishes during the past year, including grants to certain Benefices within the Parish of Manchester, under the provisions of "The Parish of Manchester Division Act, 1850," are enumerated in the Appendix, Nos. 2, 3, 4, and 5, pp. 31, 41, 51, and 55. The Instruments for confirming such grants appear in the Appendix, Part II., No. 34, pp. 1 to 391.

The Commissioners have also made certain grants to meet benefactions in accordance with the 15th Section of the Act 23 & 24 Vict. c. 124, with a view to making temporary provision for the cure of souls in districts in which large masses of population are collected for the purpose of working mines. The particulars of these grants will be found in the Appendix, No. 6, p. 56.

The grants made from the "Gally Knight Fund," which have been made during the past year, are set forth in the Appendix No. 7, p. 59.

During the past year the Commissioners have received, by direction of the Lord Chancellor, under the provisions of "The Lord Chancellor's Augmentation Act, 1863," (26 & 27 Vict. c. 126.) the sum of 1,900*l.* Of this amount 700*l.* have been appropriated, as required by his Lordship, towards the immediate augmentation of a certain Benefice, the particulars of which are stated in the Appendix, No. 8, p. 59; and the remaining sum of 1,200*l.* has also been appropriated, under the direction of his Lordship, towards the prospective augmentation of the same Benefice, as set forth in the Appendix, No. 9, p. 59. The particulars of the cases which, during the past year, have come into the enjoyment of the prospective augmentation previously secured are specified in the Appendix, No. 10, p. 60.

A Schedule of the cases in which local claims on estates which have been enfranchised are created by the Acts 3 & 4 Vict. c. 113, and 17 & 18 Vict. c. 116, in compliance with the directions of the secondly-mentioned Act, is annexed to this Report. The same Schedule shows the period at which it was estimated that the previously subsisting lease or grant, in each case under which the estate was held, would have expired. See Appendix, No. 11, p. 60.

In accordance with the provisions of the Acts 3 & 4 Vict. c. 113 and 17 & 18 Vict. c. 84, Schemes have been passed for augmenting the incomes of certain Benefices out of the incomes of other Benefices. See Appendix, No. 12, p. 61, and Part II., No. 35, pp. 641 and 758.

Under the provisions of the Acts 16 & 17 Vict. c. 50, and 23 & 24 Vict. c. 124, exchanges of the patronage of certain Benefices have been made, and the Schemes and particulars relating thereto appear in the Appendix, No. 13, p. 61, and Part II., No. 35, pp. 553, 576, and 713.

Under "The Church Building Acts," "The Parish of Manchester Division Act, 1850," and "The New Parishes Acts," the following arrangements have been made by the Commissioners during the past year, viz.:—

Ninety-three Districts have been constituted or assigned under the designation of either—

1. District Chapelries. See Appendix, No. 14, p. 62.
2. Consolidated Chapelries. See Appendix, No. 15, p. 64.
3. Particular Districts. See Appendix, No. 16, p. 66.

4. Districts and New Parishes. See Appendix, No. 17, p. 67.
5. Districts under "The Parish of Manchester Division Act, 1850." See Appendix, No. 18, p. 71.

In five cases grants have been made by way of compensation for loss of fees which have become payable to the incumbents of certain new Parishes formed under "The New Parishes Acts." See Appendix, No. 19, p. 71.

Orders under the 11th section of the Act 19 & 20 Vict. c. 104, authorizing the performance, in forty-three Churches or Chapels to which Districts belong, of the offices contemplated by that section, have been issued by the Commissioners. See Appendix, No. 20, p. 72.

Declarations of the patronage of six Churches have been also issued. See Appendix, No. 21, p. 73.

In nine cases new Churches have been substituted for old Parish Churches. See Appendix, No. 22, p. 74.

Scales of Pew Rents have been fixed for six Churches. See Appendix, No. 23, p. 74.

Two hundred and six conveyances of sites for Churches, burial grounds, and parsonage houses respectively have been accepted. See Appendix, No. 24, p. 75.

In pursuance of the Act 5 Vict. sess. 2. c. 26, a Scheme has been passed for adding to and improving the episcopal house of residence in the city of Peterborough belonging to the Bishop of Peterborough. See Appendix, Part II., No. 35, p. 656.

The particulars of some slight territorial alterations in the dioceses of Oxford and Winchester, and in the archdeaconries of Berks and Winchester, in continuation of the tabular statements relating to such matters attached to former Reports, and the Scheme by which they have been effected, will be found in the Appendix, Nos. 25 and 26, p. 81, and Part II., No. 35, p. 568.

In pursuance of the Act 29 & 30 Vict. c. 111, Schemes have been passed for providing for the preservation of the Lollards' Tower and Cardinal Morton's Tower, and the repair of the fabric of the Library of Lambeth Palace, and the books and manuscripts belonging thereto. See Appendix, Part II., No. 35, pp. 652 and 653.

A Scheme has been passed in accordance with the provisions of the Act 29 & 30 Vict. c. 111. for effecting an

exchange of certain property belonging to the Archbishop of York for certain other property belonging to the Commissioners. See Appendix, Part II., No. 35, p. 477.

Upon the avoidance of the See of Peterborough, which occurred during the past year, the Commissioners revised the arrangements then in force in relation to the endowment of the See, and a Scheme has been passed under the provisions of the Act 23 & 24 Vict. c. 124, by which the endowment has been regulated so as to secure to the present Bishop the statutory income of the See. See Appendix, Part II., No. 35, p. 715.

In pursuance of "The Ecclesiastical Commission Act, 1868," Schemes have been passed by which the Deans and Chapters of Norwich, Westminster, and Ely have, in consideration of money payments, transferred to the Commissioners (with certain exceptions) the property belonging to them respectively. See Appendix, Part. II., No. 35, pp. 498, 669, and 731.

The Scheme and particulars relating to the endowment of an Archdeaconry will be found in the Appendix, No. 27, p. 82, and Part II., No. 35, p. 400.

The Preferments, the endowments of which have become vested in the Commissioners during the year to which this report has reference, are enumerated in the Appendix, No. 28, p. 82.

In pursuance of the provisions of the Act 17 & 18 Vict. c. 116, a Schedule is annexed of all sales of reversions and purchases of leasehold interests effected during the year preceding the 1st November last, and also of all cases of refusal, with the special reasons for the same. See Appendix, Nos. 29 and 30, pp. 83 and 94.

A list of the sales effected and of the leases granted with the sanction of the Commissioners, under the authority of "The Ecclesiastical Leasing Acts," during the past year, is inserted in the Appendix, Nos. 31 and 32, pp. 96 and 98.

A list of Ecclesiastical Preferments, the values of which have been certified by the Commissioners for the purpose of Stamp Duty in pursuance of the Act 27 Vict. c. 18., during the year preceding the 1st of November last, is inserted in the Appendix, No. 33, p. 102.

Copies of all Instruments sealed by the Commissioners under the fifth section of the Act 29 & 30 Vict. c. 111, and copies of all Schemes and Representations prepared by the Commissioners, and sanctioned and approved by Her

Majesty in Council during the same year, will be found in the Appendix, Part II., Nos. 34 and 35, pp. 1 and 392.

The Commissioners have never lost sight of the importance of transferring to the rectors or vicars of the parishes in which local claims accrue, lands and tithe rentcharges within the several parishes, wherever such assignments can conveniently be made; and in the last three years lands and tithe rentcharges of the value of more than 12,000*l.* a year have been assigned to such rectors and vicars and withdrawn from the management of this Board. The total value so annexed exceeds 27,000*l.* a year.

The Commissioners have, as already stated, made grants to meet benefactions of equal amount, with a view to making temporary provision for the cure of souls in districts where large masses of population are collected for the purpose of working mines. These grants, although made for one year only, are seldom discontinued, and must be regarded in any estimates of future expenditure by the Board, as if they were a permanent charge upon the Common Fund. These grants have been taken up to a large extent in the dioceses of Durham and Llandaff, and their total amount is but little short of 12,000*l.* a year.

The amount appropriated by the Commissioners in aid of the augmentation of poor livings, and of the endowment of new districts in populous places, and now enjoyed by the incumbents in the form of land and rentcharges, or of permanent grants out of the Common Fund, exceeds at the present time 300,000*l.* a year, and this is in addition to annual payments exceeding 40,000*l.* a year in respect of capital sums held by the Commissioners on behalf of benefices.

The Commissioners in their last Report stated that, although they were urged to the consideration of many other conflicting claims, (such as—the extension of the augmentations to 300*l.* a year to new classes of cases resting their claims on the score of population,—the provision of larger incomes than 300*l.* a year where the cure of souls extends over a population exceeding 6,000 persons, or the provision of stipends for curates in such cases,—or an earlier consideration of unsatisfied local claims,) they had selected the three objects,—of meeting benefactions,—of satisfying to a limited extent local claims,—and of endowing new districts in populous places, as the best mode of distributing the amount of 300,000*l.* then at their disposal; and the Commissioners think that the same appropriation is the best distribution of a similar amount at the present time.

The Commissioners therefore propose for the current year—

1st. To meet benefactions by grants to the amount in capital value of 100,000*l.*

2nd. To consider the local claims arising in respect of the estates of the Archbishopric of Canterbury so as to make grants to the extent of say 3,500*l.* a year.

3rd. To appropriate the sum of 3,000*l.* a year in perpetuity to the endowment with 200*l.* a year of new churches in public patronage, to which districts shall have been legally assigned, containing in each case a population of 4,000 persons, and to the endowment, with 100*l.* a year of new churches in private patronage having districts legally assigned to them, containing in each case a like population, on condition that an endowment of equal value be provided from non-ecclesiastical sources.

The grants to be thus made during the current year will be of the capital value of 300,000*l.*

All which is reported by the Ecclesiastical Commissioners for England.

In witness whereof, the said Commissioners have hereunto set their Common Seal this first day of March in the year One thousand eight hundred and seventy.

For authorizing the Sale and Disposal of certain Property formerly belonging to the Deanery of the Cathedral Church of Exeter.

Gazetted 11th December 1868.

At the Court at Windsor, the 9th day of December 1868.

PRESENT :

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the sixth and seventh years of Your Majesty, chapter thirty-seven, duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-sixth day of November, in the year one thousand eight hundred and sixty-eight, in the words following ; that is to say :

" We, the Ecclesiastical Commissioners for England, in pursuance of an Act of the sixth and seventh years of Your Majesty, chapter thirty-seven, sections six and eight, have prepared, and now humbly lay before Your Majesty in Council, the following scheme for authorizing the sale and disposal of certain property, formerly belonging to the deanery of the cathedral church of Exeter, and now vested in us.

" Whereas under an Act of the third and fourth years of Your Majesty, chapter one hundred and thirteen, and another Act of the fourth and fifth years of Your Majesty, chapter thirty-nine, and by virtue of an Order of Your Majesty in Council, made under the provisions of the same Acts, and bearing date the fifteenth day of April, in the year one thousand eight hundred and forty-eight, and duly published in the London Gazette on the twelfth day of May following, certain lands, tithes, and other hereditaments then belonging to the said deanery, became absolutely vested in us, for the purposes and subject to the provisions applicable to other hereditaments vested in us.

" And whereas on the vacancy of the said deanery, which occurred on or about the seventeenth day of January, in the year one thousand eight hundred and sixty-one, by the death of the Very Reverend Thomas Hill Lowe, the then Dean, all the lands, tithes, and other hereditaments then belonging to the said deanery, except the residence house, situate in the city of Exeter, became,

by virtue of the Act first herein-before mentioned, absolutely vested in us, for the purposes and subject to the provisions aforesaid :

"And whereas the greater part of the lands, tithes, and hereditaments severally herein-before referred to are subject to beneficial leases, or grants for lives and years, and produce during the subsistence of such leases or grants only a small annual revenue, and on that account, and partly on account of the character or situation of the property, are unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed :

"And whereas by an Act of the twenty-third and twenty-fourth years of Your Majesty, chapter one hundred and twenty-four, power is given to lessees holding under us, in the event of our declining to enter into a treaty for the sale of our reversions or the purchase of the leasehold interests, to require us to purchase such leasehold interests at a valuation :

"And whereas with a view to the advantageous appropriation of the said lands, tithes, and hereditaments, or of the proceeds thereof, for the ultimate improvement of our Common Fund, it is expedient that the said lands, tithes, and hereditaments, or such part or parts thereof as we shall at any time and from time to time think fit, should be sold or disposed of, and accordingly that we should be empowered to dispose of our interest therein, or in any part or parts thereof, in such manner as shall appear to us advisable :

"Now, therefore, we humbly recommend and propose that we may be authorized and empowered, by instrument or instruments in writing, duly executed according to law, from time to time to sell or dispose of, and duly to convey, according to the provisions of the said Act of the sixth and seventh years of Your Majesty's reign, with the consent of the respective holders (if any), to be testified by their being made parties to such instruments, all or any of the said lands, tithes, and hereditaments formerly belonging to the said deanery, and so vested in us as aforesaid, with their appurtenances, and all our estate, right, title, and interest therein, or any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his, her, or their heirs, executors, administrators, or assigns, or otherwise as he, she, or they shall direct or appoint, and for such consideration as shall upon due calculation and inquiry appear to us to be just and reasonable.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts or either of them, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council : Now, therefore, Her Majesty, by and with the advice of her said Council, is pleased hereby to ratify the said

scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act ; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Exeter.

"And we further recommend and propose that the right of the said spiritual persons, as such Incumbents as aforesaid, to receive the said annual sums respectively, shall in each case be held to have accrued, and that payment thereof shall accordingly be made, as from the day on which the church of the new parish in respect of which such compensation is made was consecrated, that being the day upon which in each case the Incumbent of the new parish became empowered to perform in the church thereof those offices, and became entitled to retain for his own benefit those fees, in consideration of the loss of which to the mother parish or cure the several amounts of the compensation grants in this scheme recommended and proposed have been fixed by us.

"We, therefore, humbly pray that Your Majesty will be graciously pleased to take the premises into Your Royal consideration, and to make such Order with respect thereto as to Your Majesty, in Your Royal wisdom, shall seem meet.

No. 2,237.

For constituting the District of Cleator Moor out of the Parish of Cleator, in the County of Cumberland and Diocese of Carlisle.

Gazetted 19th March 1869.

At the Court at Windsor, the 17th day of March 1869.

PRESENT :

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of Her Majesty, chapter one hundred and four, duly prepared and laid before Her Majesty in Council a scheme, bearing date the fourth day of March, in the year one thousand eight hundred and sixty-nine, in the words and figures following; that is to say:

" We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of Your Majesty, chapter one hundred and thirteen, of the Act of the sixth and seventh years of Your Majesty, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of Your Majesty, chapter one hundred and four, have prepared, and now humbly lay before Your Majesty in Council, the following scheme for constituting a separate district for spiritual purposes out of the parish or parochial chapelry of Cleator, in the county of Cumberland and in the diocese of Carlisle:

" Whereas it has been made to appear to us that it would promote the interests of religion that the particular part of the said parish or parochial chapelry of Cleator which is herein-after mentioned and described (such part not at present containing within its limits any consecrated church or chapel in use for the purposes of divine worship), should be constituted a separate district in manner herein-after recommended and proposed:

" And whereas the Most Noble Richard, Marquis of Westminster, has paid to the credit of our account at the Bank of England the sum of three thousand pounds sterling, in aid of the endowment of the district herein-after recommended to be constituted and of the maintenance of the Incumbent thereof for the time being, and we have in respect of such sum undertaken to provide and pay, in equal half-yearly portions on the first day of May and the first day of November in each and every year, to such Incumbent as aforesaid, so soon as one shall have been duly licensed in accordance with the provisions of the herein secondly mentioned Act, and to his successors, the yearly sum of one hundred pounds:

" And whereas we have also agreed and undertaken to make and pay out of the 'Common Fund' created by the firstly herein mentioned Act, to the said Incumbent when duly licensed, and

to his successors as aforesaid, a grant of fifty pounds per annum, which said grant will be made by an instrument to be executed by us under our common seal in accordance with the provisions of the Act of the twenty-ninth and thirtieth years of Your Majesty, chapter one hundred and eleven :

" And whereas the said sum of three thousand pounds sterling has been so paid by the said Richard, Marquis of Westminster, upon the understanding and condition that we should recommend and propose to Your Majesty in Council that the whole right of patronage of the said district herein-after recommended to be constituted, and of the nomination of the Incumbent thereof, should be assigned to, and should be vested in, the Bishop for the time being of the said diocese of Carlisle, as the nominee of the said Richard, Marquis of Westminster, and the said Marquis has, by an instrument under his hand, nominated to us the Honourable and Right Reverend Samuel, now Bishop of the said diocese of Carlisle, and his successors Bishops of the same diocese, to be such patrons accordingly, and it appears to us to be expedient that the said right of patronage should be assigned and vested in accordance with such nomination :

" Now, therefore, with the consent of the said Samuel, Bishop of the said diocese of Carlisle (in testimony whereof he has signed and sealed this scheme), we, the said Ecclesiastical Commissioners for England, humbly recommend and propose, that all that part of the said parish or parochial chapelry of Cleator which is described in the schedule hereunder written, all which part, together with the boundaries thereof, is delineated and set forth upon the map or plan hereunto annexed, shall upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme, become and be constituted a separate district for spiritual purposes, and that the same shall be named 'The District of Cleator Moor.'

" And we further recommend and propose, that the whole right of patronage of the said district, so recommended to be constituted, and of the nomination of the Incumbent thereof, shall, without any assurance in the law other than this scheme and any duly gazetted Order of Your Majesty in Council ratifying the same, and upon and from the day of the date of the publication of such Order in the London Gazette as aforesaid, be assigned to and be absolutely vested in, and shall and may from time to time be exercised by the said Samuel, Bishop of the said diocese of Carlisle, and by his successors Bishops of the same diocese for ever.

" And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of either of them, or of any other Act of Parliament.

" The SCHEDULE to which the foregoing Scheme has reference.

" The District of Cleator Moor, being :—

" All that part of the parish or parochial chapelry of Cleator, in the county of Cumberland and in the diocese of Carlisle,

which is bounded on the east and on the north partly by the ancient chapelry of Ennerdale and Kinniside, in the parish or parochial chapelry of Saint Bees, and partly by the parish or parochial chapelry of Arlecdon; on the north-west by the new parish of Saint John, Hensingham; on the west partly by the last-named new parish and partly by the extra-parochial territory called or known as Low Keekle, all in the county and diocese aforesaid; and on the remaining side, that is to say on the south, by an imaginary line commencing upon the boundary which divides the said parish or parochial chapelry of Cleator from the extra-parochial territory called or known as Low Keekle as aforesaid, at a point over the middle of the River Keekle, on the southern side of the bridge which carries the line of the Whitehaven, Cleator, and Egremont Railway over the said river; and extending thence first eastward and then north-eastward, for a distance of half a mile or thereabouts, along the line of fences which form the southern boundary of the said line of railway, to a point at the southern end of the bridge which carries the footpath leading from Crossfield towards Jacktrees over the same line of railway; and extending thence generally eastward, for a distance of fourteen chains or thereabouts, along the northern side of the said footpath to a point opposite to the north-western end of the fence which divides the houses and gardens numbered 203 upon the map of the Ordnance Survey of the said parish or parochial chapelry of Cleator, published in the year one thousand eight hundred and sixty-three, and upon the map hereunto annexed, from the close numbered 246 upon the same maps; and extending thence south-eastward to and along the middle of the said fence to its south-eastern end, on the western side of the road at Jacktrees which leads from Cleator to Cleator Moor; and extending thence north-eastward for a distance of two and a half chains, or thereabouts, along the western side of the last described road, to a point opposite to the north-western end of a certain private road numbered 249 upon the said maps, which belongs to the Carron Iron Company, and leads towards Todhole's Iron Ore Pit; and extending thence south-eastward to and along the western side of the said private road to the said Todholes Pit; and continuing thence still south-eastward along the western side of the same pit to a point in the middle of the north-western end of the fence dividing the close numbered 388 upon the said maps from the close numbered 389 upon the same maps; and continuing thence still south-eastward along the middle of the last-described fence to its junction with the fence dividing the close numbered 390 upon the said maps from the closes numbered respectively 389 as aforesaid, and 392 upon the same maps; and extending thence alternately south-eastward and eastward along the middle of the last-described fence to a point in the middle of Trumpet Beck; and continuing thence first eastward and then southward along the middle of the said beck to a point on the southern side of Trumpet Bridge, which carries the road leading from Cleator to Wath over the same beck; and extending thence north-eastward for a distance of twenty-three chains or thereabouts to and along

the south-eastern side of the last-described road to its junction with the Occupation Road which is numbered 440 on the maps aforesaid, and which leads to Low Wath Corn Mill; and extending thence first south-eastward and then eastward along the south-western side of the said Occupation Road (thereby passing to the north of the buildings called or known as Low Wath Corn Mill as aforesaid), to the eastern end of the same Occupation Road, on the western bank of the stream which supplies the same mill; and extending first eastward to and then north-eastward along the middle of the said stream to its junction with the River Ehen; and continuing thence still north-eastward for a distance of half a mile or thereabouts along the middle of the said river to the boundary which divides the said parish or parochial chapelry of Cleator from the ancient chapelry of Ennerdale and Kinniside aforesaid."

And whereas a draft of the said scheme has in accordance with the provisions of the herein-before secondly mentioned Act been transmitted to the patron and to the incumbent of the parish or parochial chapelry out of which it is intended that the district therein recommended to be constituted shall be taken; and such patron and incumbent have respectively signified their assent to the said scheme:

And whereas the said scheme has been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Carlisle.

No. 2,238.

For effecting an Exchange of certain Lands and Hereditaments between the Archbishop of York and the Ecclesiastical Commissioners for England.

Gazetted 19th March 1869.

At the Court at Windsor, the 17th day of March 1869.

PRESENT:

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the twenty-ninth and thirtieth years

of Her Majesty, chapter one hundred and eleven, duly prepared and laid before Her said Majesty in Council a scheme, bearing date the eighteenth day of February, in the year one thousand eight hundred and sixty-nine, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act passed in the session of Parliament held in the twenty-ninth and thirtieth years of Your Majesty, intituled an Act to further amend the Acts relating to us, have prepared, and now humbly lay before Your Majesty in Council, the following scheme for effecting an exchange of certain lands and hereditaments belonging to the Archbishop of York for certain other lands and hereditaments belonging to us.

"Whereas by the said Act it is enacted, that if, after we have effected the endowment of any archbishoprick or bishoprick, or of any chapter, with lands or hereditaments, it shall appear to us that it would be beneficial to such archbishoprick or bishoprick, or to such chapter, that any part or parts of such lands or hereditaments should be exchanged for any lands or hereditaments belonging to any other archbishop or bishop or chapter, or to us, it shall be lawful to effect such exchange, with the consent, in writing, of every archbishop or bishop or chapter thereby affected, and by the authority of a scheme passed by us, and an Order of Your Majesty ratifying the same; Provided always, that no such exchange shall be made unless we shall be satisfied of the reasonable equality in value of the lands and hereditaments so to be exchanged, and shall in such last-mentioned scheme make a statement to that effect:

"And whereas the endowment of the archbishoprick of York with lands and hereditaments was effected by means of an Order of Your Majesty in Council, ratifying a scheme prepared by us, which Order bore date the twenty-fifth day of July, in the year one thousand eight hundred and sixty-one, and was duly published in the London Gazette on the twenty-sixth day of the same month:

"And whereas it appears to us that it would be beneficial to the said archbishoprick of York, that the lands and hereditaments particularly described and set forth in the schedule annexed to this scheme, and marked A., being part of the lands and hereditaments wherewith the said archbishoprick was endowed as aforesaid, should be exchanged for certain lands and hereditaments now belonging to us, which are particularly described and set forth in the schedule hereunto annexed, and marked B.:

"And whereas we are satisfied of the reasonable equality in value of the lands and hereditaments proposed to be exchanged as herein-after recommended:

"Now, therefore, we humbly recommend and propose, with the consent of the Right Honourable and most Reverend William, Lord Archbishop of York, testified by his having signed this scheme, that from and after the day of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme, and without any conveyance or

assurance in the law other than such duly published Order, the lands and hereditaments particularly described in the schedule hereunto annexed, and marked A., with the appurtenances, and all the right, title, estate, and interest therein, of the said Archbishop of York and his successors, and all his and their right, title, and interest in any tithes, or rentcharges in lieu of tithes, arising thereout or charged thereupon, and in the benefit of the perpetual land tax (if any) charged upon the same premises, shall be transferred to and vested in us and our successors, and that we shall thereupon become and be absolutely seised and possessed of the same in fee, and shall be entitled to the rents, profits, and proceeds thereof, as from the first day of January, one thousand eight hundred and sixty-nine, and that in exchange for the lands and hereditaments so to be transferred and conveyed to us as aforesaid, the lands and hereditaments particularly described in the schedule hereunto annexed, and marked B., with their appurtenances, and all our right, title, estate, and interest therein (save and except and always reserved unto us and our successors, and our and their lessees, tenants, and assigns, all and singular the mines, quarries, and beds of coal, stone, clay, sand, minerals, and metalliferous substances of all descriptions therein or thereunder, with full and exclusive authority to sink, win, work, get up, and carry away the same in, under, out of, and from the said lands and hereditaments, or any other lands and hereditaments, according to the course and practice at present or hereafter to be used or adopted in the county of York, or according to the most approved mode which may from time to time be used or invented, and to enter upon, take, use, and occupy from time to time, and for such time and in such manner as we, our successors, lessees, tenants, and assigns, shall think fit, so much of the said lands and hereditaments as we shall deem necessary, proper, or convenient for all or any of the aforesaid purposes, making full compensation for any injury thereby occasioned, and save and except and always reserved full and exclusive authority for us, our successors, lessees, tenants, and assigns, or persons acting under our authority, and whether in reference or respect to lands held by or under us, or any other property, to make, grant, and use any way or ways upon, across, under, or through the said lands and hereditaments for the purposes aforesaid), together with all tithes or rentcharges in lieu of tithes arising thereout or charged thereupon, and the benefit of the perpetual land tax (if any) charged upon the same premises, shall, from and after the date of such gazetting as aforesaid, become and be absolutely vested in the said Archbishop and his successors in as full and ample a manner (saving the minerals and mineral rights aforesaid) as if the same had formed part of the ancient possessions of the said see, and that the said Archbishop shall become entitled to the rents, profits, and proceeds thereof, as from the said first day of January, one thousand eight hundred and sixty-nine.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, in conformity with the provisions of the said recited Act, or of any other Act of Parliament.

"SCHEDULE A.

ARTHUR HELPS.

No. 2,239.

For constituting the District of Lineal-cum-Colemere out of the Parishes of Ellesmere and Welsh Hampton, in the County of Salop and Diocese of Lichfield.

Gazetted 19th March 1869.

At the Court at Windsor, the 17th day of March 1869.

PRESENT:

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen; of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven; and of the Act of the nineteenth and twentieth years of Her Majesty, chapter one hundred and four, duly prepared and laid before Her Majesty in Council a scheme, bearing date the fourth day of March, in the year one thousand eight hundred and sixty-nine, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of Your Majesty, chapter one hundred and thirteen; of the Act of the sixth and seventh years of Your Majesty, chapter thirty-seven; and of the Act of the nineteenth and twentieth years of Your Majesty, chapter one hundred and four, have prepared, and now humbly lay before Your Majesty in Council, the following scheme for constituting a separate district for spiritual purposes out of the parish of Ellesmere, in the county of Salop and in the diocese of Lichfield, and out of the parish or parochial chapelry of Welsh Hampton, in the same county and diocese.

"Whereas it has been made to appear to us that it would promote the interests of religion that the particular portions of the said parish of Ellesmere, and of the said parish or parochial

chapelry of Welsh Hampton, herein-after mentioned and described (such portions not at present containing within their limits any consecrated church or chapel in use for the purposes of divine worship), should be constituted a separate district in manner herein-after set forth.

"And whereas by a certain deed, bearing date on or about the twentieth day of November, in the year one thousand eight hundred and sixty-eight, made under the authority of 'The New Parishes Acts, 1843, 1844, and 1856,' or some or one of them, and being under the hand and seal of the Right Honourable Adelbert Wellington Brownlow, Earl Brownlow, and being also under the common seal of us, the said Ecclesiastical Commissioners (which deed is intended to be enrolled in Your Majesty's High Court of Chancery at Westminster), the said Earl Brownlow did grant and confirm unto the Incumbent of the district herein-after recommended to be constituted, so soon as one shall have been appointed and licensed thereto according to the provisions of the herein secondly mentioned Act, and to his successors the incumbents thereof for the time being, all and every the tithes or commutation rentscharge in lieu of tithes, amounting together to the sum of one hundred and fourteen pounds ten shillings and sixpence yearly, arising and issuing out of or from certain lands in the township of English Frankton, and in the said parish of Ellesmere, which said tithes or rentscharge in lieu of tithes are more particularly specified in the schedule which forms part of and is referred to in the said deed.

"And whereas the said tithes or commutation rentscharge in lieu of tithes have been so granted and confirmed as aforesaid upon the understanding that we should make and pay, out of the Common Fund created by the firstly herein-mentioned Act, to the Incumbent for the time being of the said intended district, when he shall have been duly licensed as aforesaid, a grant of fifty pounds per annum, and upon the further understanding and upon the condition that (such arrangement appearing to us to be expedient) the whole right of patronage of the said district, and of the nomination of the Incumbent thereto, should be assigned in the manner herein-after mentioned.

"And whereas we have agreed and undertaken to make such grant of fifty pounds per annum as aforesaid, by an instrument to be executed by us under our common seal, in accordance with the provisions of the Act of the twenty-ninth and thirtieth years of Your Majesty, chapter one hundred and eleven.

"Now, therefore, with the consent of the Right Reverend George Augustus, Bishop of the said diocese of Lichfield (in testimony whereof he has signed and sealed this scheme), we, the said Ecclesiastical Commissioners, humbly recommend and propose, that all those portions of the said parish of Ellesmere and of the said parish or parochial chapelry of Welsh Hampton which are described in the schedule hereunder written, and which are delineated and set forth upon the map or plan hereunto annexed, shall, upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in

Council ratifying this scheme, become and be constituted a separate district for spiritual purposes, and that the same shall be named 'The District of Lineal-cum-Colemere.'

"And we further recommend and propose, that the whole right of patronage of the said district so recommended to be constituted, and of the nomination of the incumbent thereto, shall, without any assurance in the law other than this scheme, and any duly gazetted Order of Your Majesty in Council ratifying the same, and upon and from the day of the date of the publication of such Order in the London Gazette as aforesaid, be assigned to and be absolutely vested in the said Adelbert Wellington Brownlow, Earl Brownlow, his heirs and assigns, for ever.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of either of them, or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme has reference.

"The District of Lineal-cum-Colemere, being :—

"All that portion of the parish of Ellesmere, in the county of Salop and in the diocese of Lichfield, which is comprised within and is co-extensive with the limits of the township of Lineal and of the township of Colemere.

"And also all those portions of the parish or parochial chapelry of Welsh Hampton, in the county and diocese aforesaid, which are contiguous to the said township of Lineal, and are situate on the southern side of the Ellesmere Canal, all which said portions are comprised within and are co-extensive with the limits of the closes numbered respectively 677, 678, 699, 700, and 701 upon the tithe commutation map of the said parish or parochial chapelry of Welsh Hampton and upon the map hereunto annexed.

"And also all that detached portion of the same parish or parochial chapelry of Welsh Hampton situate at Blackhurst Ford on the road leading from Welsh Hampton to Wem, which said portion is bounded on the north and on the west by the said township of Lineal, on the east partly by the parish of Hanmer, in the county of Flint and in the diocese of Saint Asaph, and partly by the parish of Wem, in the said county of Salop and in the diocese of Lichfield aforesaid."

And whereas a draft of the said scheme has, in accordance with the provisions of the herein-before secondly-mentioned Act, been transmitted to the patrons and to the incumbents of the said parish of Ellesmere and of the said parish or parochial chapelry of Welsh Hampton, out of which it is intended that the district therein recommended to be constituted shall be taken, and such patrons and incumbents have respectively signified their assent to the said scheme.

And whereas the said scheme has been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with

the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Lichfield.

No. 2,240.

Relating to the Dean and Chapter of the Cathedral Church of Norwich.

Gazetted 19th March 1869.

At the Court at Windsor, the 17th day of March 1869.

PRESENT:

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of "The Ecclesiastical Commission Act, 1868," duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-sixth day of January, in the year one thousand eight hundred and sixty-nine, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of 'The Ecclesiastical Commission Act, 1868,' sections three and four, have prepared, and now humbly lay before Your Majesty in Council, the following scheme relating to the Dean and Chapter of the cathedral church of the Holy and Undivided Trinity of Norwich.

"Whereas the said chapter now consists of a dean and four canons, two canonries having been suspended under the provisions of an Act passed in the session held in the third and fourth years of Your Majesty's reign, intituled 'An Act to carry into effect, with certain modifications, the fourth Report of the Commissioners of Ecclesiastical Duties and Revenues.'

"And whereas the said dean and chapter have agreed with us that a scheme should be laid before Your Majesty in Council for carrying into effect a transfer to us of part of the property belonging to them, for the considerations and upon the terms herein-after set forth, which terms are in our opinion fair and reasonable, and the said dean and chapter have further agreed with us that such scheme should also comprise the incidental provisions herein-after set forth, such provisions being necessary for carrying into effect the said transfer.

"And whereas the lands and hereditaments particularly described in the schedule hereunto annexed, marked A, are vested in us in fee simple in possession, and the lands, tenements, hereditaments, and securities particularly described in the schedule hereunto annexed, marked B, are part of the property of the said dean and chapter.

"Now, therefore, with the consent of the Dean and Chapter of the cathedral church of the Holy and Undivided Trinity of Norwich, and of the Honourable and Right Reverend John Thomas Bishop of Norwich, as visitor of the said dean and chapter (testified by their having hereunto affixed their respective corporate seals), we humbly recommend and propose, that all the manors, lands, tithes, tenements, and hereditaments which now belong, either in possession or reversion, to the said dean and chapter (excepting all rights of ecclesiastical patronage, the cathedral church and the precincts thereof, and all messuages, lands, tenements, and hereditaments within the said precincts, which now belong, either in possession or reversion, to the said dean and chapter, or any of them, or any of their officers in right of their offices, and all their capitular rights, liberties, and jurisdictions within the same precincts, and also excepting the lands, tenements, hereditaments, and securities particularly described in the schedule hereunto annexed marked B) shall, together with the benefit of the perpetual land tax charged thereupon, which has been redeemed, upon and from the day on which any Order of Your Majesty in Council ratifying this scheme shall be duly published in the London Gazette, be transferred to us in the manner contemplated by the said first-mentioned Act, and that we shall be entitled to the rents, profits, and proceeds of the said manors, lands, tithes, tenements, and hereditaments so to be transfered to us as from the twenty-ninth day of September one thousand eight hundred and sixty-eight, and that in consideration of and for such transfer, the lands, tithes, tenements, and hereditaments particularly set forth in the schedule hereunto annexed, marked A, together with the benefit of the perpetual land tax charged thereon, which has been redeemed, shall, upon and from the day on which any Order of Your Majesty in Council ratifying this scheme shall be published in the London Gazette, be transferred to the said dean and chapter in manner contemplated by the said first-mentioned Act, and that they the said dean and chapter shall be entitled to the rents, profits, and proceeds thereof as from the said twenty-ninth day of September one thousand eight hundred and sixty-eight, and that in further consideration of and for such transfer to us as aforesaid we shall surrender all right and be excluded from all participation in respect of the said suspended canonries to and in the estates and property to be retained by the said dean and chapter or to be by any Order of Your Majesty in Council ratifying this scheme or by any other Order made under the said first-mentioned Act transferred to them as part of their permanent endowment, and in the rents and profits thereof, and in the money payments herein-after mentioned, and that in further consideration

of and for such transfer to us as aforesaid there shall be paid by us, by equal half-yearly payments on the twenty-fifth day of March and the twenty-ninth day of September in every year, to the said dean and chapter the annual sum of two thousand and six hundred pounds, and that the payment of such annual sum shall continue until the said dean and chapter shall have been, under the authority provided by the said first-mentioned Act, put into possession in fee simple of real estates, of which not more than two third parts shall consist of tithe rentcharges, sufficient to secure to the said dean and chapter, in addition to the income which the said dean and chapter will derive from the estates proposed by this scheme to be transferred to and to be retained by them, a clear annual income therefrom, after deducting rates, taxes, the cost of agency, and other outgoings, amounting to the said annual sum of two thousand and six hundred pounds.

"And we further recommend and propose, that there shall also be paid by us by equal half-yearly payments to the said dean and chapter, on the twenty-fifth day of March and the twenty-ninth day of September, in every year during the life of John Kitson, esquire, the present chapter clerk of the said dean and chapter, a sum of two hundred pounds (such last-mentioned sum to be by them appropriated and paid to the said John Kitson, in respect of the profits which would have accrued to him on account of the management of the estates hereby proposed to be transferred to us), and that the first half-yearly payment in respect of each of the herein-before mentioned annual sums of two thousand and six hundred pounds and two hundred pounds shall be made on the twenty-fifth day of March next.

"And we further recommend and propose that, as the consideration for the loss which the said dean and chapter have incurred by having abstained from renewing certain leases of the said lands, tenements, and hereditaments hereby proposed to be transferred to us, which became renewable prior to the said twenty-ninth day of September one thousand eight hundred and sixty-eight, there shall be paid by us to the said dean and chapter, immediately upon the publication as aforesaid of any Order of Your Majesty in Council ratifying this scheme, a sum of five thousand and two hundred pounds, and that the receipt or receipts of the treasurer for the time being of the said dean and chapter shall be a good and valid discharge to us for all or any and every such sum or sums of money as shall therein be expressed to have been paid to him by us under the authority of this scheme when ratified as aforesaid.

"And we further recommend and propose that, as a further consideration for such transfer to us as aforesaid, a capital sum of twelve thousand pounds shall be set apart by us to be expended to our satisfaction in substantial repairs, restoration, and improvements of the said cathedral church, and of the buildings belonging thereto, and that interest after the rate of three pounds per centum per annum shall be allowed by us to the said dean and chapter, as from the said twenty-ninth of September one thousand eight hundred and sixty-eight, upon the said capital sum of

twelve thousand pounds, and on the balances thereof from time to time remaining in our hands, such interest to be also expended to our satisfaction in substantial repairs of the said cathedral church and buildings.

"And we further recommend and propose, with the like consent of the said dean and chapter and of their visitor, that the sums of stock and cash which are specified in the schedule hereunto annexed, marked C, and also any other sums of stock and cash which may be now invested or held in trust for the said dean and chapter, except such sums of stock and cash as may be held by the said dean and chapter in trust for any special or charitable purposes, which last-mentioned sums are to be retained by the said dean and chapter, shall, as soon as conveniently may be, be sold out or transferred, and the same or the proceeds thereof be paid or carried to our account at the Bank of England.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the matters aforesaid, in conformity with the said Act or of any other Act of Parliament.

No. 2,241.

For altering the Boundaries of the District Parish of Emmanuel, Camberwell, in the County of Surrey and Diocese of Winchester.

Gazetted 19th March 1869.

At the Court at Windsor, the 17th day of March 1869.

PRESENT:

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter sixty, of the Act of the eighth and ninth years of Her Majesty, chapter seventy, and of the Act of the nineteenth and twentieth years of Her Majesty, chapter fifty-five, duly prepared and laid before Her Majesty in Council a representation, bearing date the third day of December, in the year one thousand eight hundred and sixty-eight, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of Your Majesty, chapter sixty, of the Act of the eighth and ninth years of Your Majesty, chapter seventy, and of the Act of the nineteenth and twentieth years of Your Majesty, chapter fifty-five, have prepared, and now humbly lay before Your Majesty in Council, the following representation for altering the boundaries of the district parish of Emmanuel, Camberwell, in the county of Surrey and in the diocese of Winchester.

"Whereas by the authority of an Order of Your Majesty in Council, bearing date the thirteenth day of June, in the year one thousand eight hundred and forty-two, and duly published in the London Gazette upon the twelfth day of August in the same year, a part of the parish of Saint Giles, Camberwell, in the county and diocese aforesaid, was assigned as a separate district to the consecrated church of Emmanuel, Camberwell, situate in the said parish, and such district was named 'The District Parish of Emmanuel, Camberwell.'

"And whereas it has been proposed to us, and it seems to us to be expedient, that the boundaries of the said district parish of Emmanuel, Camberwell, should be altered as herein-after mentioned.

"Now, therefore, with the consent of the Right Reverend Charles Richard, Bishop of the said diocese of Winchester, as such Bishop, with the consent of Frederic Festus Kelly, of Bedford Square, in the county of Middlesex, esquire, the patron of the vicarage of the said parish of Saint Giles, Camberwell, with the consent of the Reverend James Williams, the Vicar or Incumbent of the same vicarage, and with the consent of the Reverend William Harker, who is the patron, and at the same time the Vicar or Incumbent of the vicarage of the said district parish of Emmanuel, Camberwell (in testimony whereof they have respectively signed and sealed this representation), we, the said Ecclesiastical Commissioners, humbly represent that in our opinion it would be expedient, that the boundaries of the said district parish of Emmanuel, Camberwell, should be altered so as to dissever therefrom all those portions thereof which are described in the schedule hereunder written, and are delineated and set forth upon the map or plan hereunto annexed, and are thereon coloured pink.

"And we further represent that it would in our opinion be expedient, that all those portions of the said district parish of Emmanuel, Camberwell, so to be dissevered therefrom as aforesaid, should be restored to and should again become and be and form part of the parish of Saint Giles, Camberwell, aforesaid.

"And we humbly pray that Your Majesty will be graciously pleased to take the premises into Your Royal consideration, and to make such Order in respect thereto as to Your Majesty, in Your Royal wisdom, shall seem meet.

"The SCHEDULE to which the foregoing Representation has reference.

"The territory proposed to be dissevered from the district parish of Emmanuel, Camberwell, in the county of Surrey and in the diocese of Winchester, and to be restored to the parish of Saint Giles, Camberwell, in the same county and diocese, being :—

"All that portion of the said district parish of Emmanuel, Camberwell, which is situate to the east of an imaginary line commencing upon the boundary which divides the same district parish from the parish of Saint Giles, Camberwell, aforesaid, at the point where Waterloo Street is joined by Acorn Street ; and extending thence, northward, along the middle of the last-named street, to the boundary at the point where the same street is joined by Edmund Street, which divides the same district parish of Emmanuel, Camberwell, from the district parish of Saint George, Camberwell, in the county and diocese aforesaid.

"And also all that other portion of the said district parish of Emmanuel, Camberwell, which consists of all that piece or parcel of land situate on the northern side of Camberwell Park, otherwise called or known as Camberwell Green, whereon the buildings and premises called or known as 'The Green Coat School' are situate, together with all that contiguous portion of the same district parish (consisting of part of the footpath and roadway on the northern side of Camberwell Park or Green aforesaid) which forms the southern frontage of the said school."

And whereas the said representation has been approved by Her Majesty in Council : Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said representation, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts ; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Winchester.

No. 2,242.

As to the Assignment of a Consolidated Chapelry to the Church of Saint Matthew, Lee, in the Parish of Ilfracombe, in the County of Devon and Diocese of Exeter.

Gazetted 19th March 1869.

At the Court at Windsor, the 17th day of March 1869.

PRESENT :

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the eighth and ninth years of Her Majesty, chapter seventy, and of the Act of the nineteenth and twentieth years of Her Majesty, chapter fifty-five, duly prepared and laid before Her Majesty in Council a representation, bearing date the seventh day of January, in the year one thousand eight hundred and sixty-nine, in the words and figures following ; that is to say :

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the eighth and ninth years of Your Majesty, chapter seventy, and of the Act of the nineteenth and twentieth years of Your Majesty, chapter fifty-five, have prepared, and now humbly lay before Your Majesty in Council, the following representation as to the assignment of a consolidated chapelry to the consecrated church of Saint Matthew, situate at Lee, in the western portion of the parish of Ilfracombe, in the county of Devon and in the diocese of Exeter.

"Whereas at certain extremities of the said parish of Ilfracombe, and of the parish of Mortehoe, in the county and diocese aforesaid, which said extremities lie contiguous one to another, and are described in the schedule hereunder written, there is collected together a population which is situate at a distance from the several churches of such respective parishes.

"And whereas it appears to us to be expedient that such contiguous portions of the said parishes of Ilfracombe and Mortehoe, should be formed into a consolidated chapelry for all ecclesiastical purposes, and that the same should be assigned to the said church of Saint Matthew, situate at Lee as aforesaid.

"And whereas the patronage of the vicarage of the said parish of Ilfracombe is at present vested in the Reverend William Fisher, Prebendary of the Prebend of Ilfracombe, in the Cathedral Church of the Blessed Virgin Mary, of Sarum, as such Prebendary, and upon and after the next avoidance of such prebend, the said patronage will become vested in the Bishop of the said diocese of Exeter, for the time being.

For compensating certain Persons whose Emoluments have been diminished by reason of Proceedings under the "New Parishes Acts."

Gazetted 30th April 1869.

At the Court at Osborne House, Isle of Wight, the 29th day of April 1869.

PRESENT :

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, duly prepared and laid before Her Majesty in Council a scheme, bearing date the eighteenth day of March, in the year one thousand eight hundred and sixty-nine, in the words and figures following ; that is to say :

" We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the sixth and seventh years of Your Majesty, chapter thirty-seven, have prepared, and now humbly lay before Your Majesty in Council, the following scheme for compensating certain spiritual persons whose emoluments have been diminished by reason of proceedings under the said Act.

" Whereas it has been made to appear to us that the fees, dues, or other emoluments of the several spiritual persons herein-after mentioned have been diminished by reason of the constitution, under the provisions of the said Act, of certain districts, which districts have since become new parishes under the same Act ; and upon due inquiry we are of opinion that the payment to the said spiritual persons of the several annual sums specified in the schedule to this scheme annexed would provide a just and reasonable compensation for such diminution.

" Now, therefore, we humbly recommend and propose, that in respect of the new parishes mentioned in the first column of the said schedule hereunto annexed, there shall be paid by us to the several spiritual persons or incumbents mentioned and described in the second column of the same schedule, so long as they shall respectively continue to be incumbents of the cures which they now hold respectively, and no longer, the annual sums mentioned and set opposite to their respective names in the third column of

the same schedule, payment of such annual sums being in each case made in equal half-yearly portions, upon the first day of May and the first day of November in each year, but with the right also in each case to a proportionate payment in respect of any period, being less than half a year, which may elapse between the first day of May and the first day of November (as the case may be), and the determination from whatever cause of the incumbency, during his tenure of which the spiritual person is entitled to an annual sum under the provisions of this scheme.

"And we further recommend and propose, that the right of the said spiritual persons, as such incumbents as aforesaid, to receive the said annual sums respectively, shall in each case be held to have accrued, and that payment thereof shall accordingly be made, as from the day on which the church of the new parish, in respect of which such compensation is made, was consecrated.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

"SCHEDULE.

Relating to the new Parish of Saint Mary the Virgin, Beech Hill, in the County of Berks.

Gazetted 30th April 1869.

At the Court at Osborne House, Isle of Wight, the 29th day of April 1869.

PRESENT :

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of His late Majesty, King William the Fourth, chapter seventy-seven, duly prepared and laid before Her Majesty in Council a scheme, bearing date the eighth day of April, in the year one thousand eight hundred and sixty-nine, in the words following ; that is to say :

" We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the sixth and seventh years of His late Majesty, King William the Fourth, chapter seventy-seven, have prepared, and now humbly lay before Your Majesty in Council, the following scheme, relating to the new parish of Saint Mary the Virgin, Beech Hill, in the county of Berks.

" Whereas, by an Order of Your Majesty in Council, bearing date the thirtieth day of January, in the year one thousand eight hundred and sixty-eight, and published in the London Gazette on the day following, which Order ratified and confirmed a scheme passed by us the said Commissioners, and consented to by the Bishop of the diocese of Winchester, a district chapelry was assigned to the consecrated church of Saint Mary the Virgin, situate at Beech Hill aforesaid :

" And whereas such district chapelry became by operation of law a new parish, as from the date of the publication as aforesaid in the London Gazette of the said Order of Your Majesty in Council :

" And whereas the said district chapelry (herein-after called the new parish) of Saint Mary the Virgin, Beech Hill, comprises and consists of that portion of the parish of Strathfieldsaye which is situate within the said county of Berks, the remaining portion of such parish being situate in the county of Southampton.

"And whereas the whole of the said ancient parish of Strathfieldsaye is situate in the diocese of Winchester.

"And whereas the archdeaconry of Berks, comprising the county of Berks and certain parts of the county of Wilts, was formerly a portion of the diocese of Salisbury.

"And whereas by an Order of the King in Council, bearing date the fifth day of October, in the year one thousand eight hundred and thirty-six, and published in the London Gazette on the seventh day of the same month, the archdeaconry of Berks, being then a portion of the diocese of Salisbury as aforesaid, was detached and dissevered from the said diocese of Salisbury, and was annexed and united to the diocese of Oxford, of which last-named diocese such archdeaconry thenceforth became and now is a part.

"And whereas at the date of the last-named Order in Council the said archdeaconry of Berks did not comprise any portion of the said ancient parish of Strathfieldsaye, the same parish being as aforesaid situate within the said diocese of Winchester.

"And whereas the Right Reverend Charles Richard, Bishop of the said diocese of Winchester, and the Right Reverend Samuel, Bishop of the said diocese of Oxford, have respectively expressed to us a desire that the said new parish of Saint Mary the Virgin, Beech Hill, and the church thereof, should be transferred from the said diocese of Winchester to the said diocese of Oxford, and become, and be within, and form part of the last-named diocese, and of the archdeaconry of Berks, and rural-deanery of Reading.

"Now, therefore, with the consents (testified by their having respectively affixed their hands and episcopal seals to this scheme) of the said Charles Richard, Bishop of the diocese of Winchester, and of the said Samuel, Bishop of the diocese of Oxford, we humbly recommend and propose, that upon, from, and after the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme, the said new parish of Saint Mary the Virgin, Beech Hill, and the church thereof, shall be forthwith absolutely detached and dissevered from the said diocese of Winchester, and shall then and thereupon become and be permanently annexed, and united to, and included in, and shall thenceforth form part of the said diocese of Oxford, and of the said archdeaconry of Berks within the same diocese of Oxford, and of the rural deanery of Reading within the same archdeaconry, and shall be exempted and released from all jurisdiction, authority, and control of the See of Winchester, and of the present and every future Bishop thereof, and shall be under and subject to the episcopal jurisdiction, authority, and control of the present Bishop of Oxford, and his successors, Bishops of Oxford, for ever, as fully and effectually and entirely, as if the same new parish of Saint Mary the Virgin, Beech Hill, had always formed part of the said diocese of Oxford.

"And we further recommend and propose that nothing herein contained shall prevent us from hereafter recommending and proposing to Your Majesty in Council any other measure or measures relating to the matters aforesaid under the provisions of the said Act, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council: Now therefore Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the respective Registrars of the said dioceses of Winchester and Oxford.

For constituting the District of Christ Church, Bengeo, out of the Parishes of Bengeo and Saint Andrew, Hertford, in the County of Hertford and Diocese of Rochester.

Gazetted 22d June 1869.

At the Court at Windsor, the 18th day of June 1869.

PRESENT:

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her

Majesty, chapter one hundred and thirteen; of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven; and the Act of the nineteenth and twentieth years of Her Majesty, chapter one hundred and four, duly prepared and laid before Her Majesty in Council a scheme, bearing date the thirteenth day of May, in the year one thousand eight hundred and sixty-nine, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of Your Majesty, chapter one hundred and thirteen; of the Act of the sixth and seventh years of Your Majesty, chapter thirty-seven; and of the Act of the nineteenth and twentieth years of Your Majesty, chapter one hundred and four, have prepared, and now humbly lay before Your Majesty in Council, the following scheme for constituting a separate district for spiritual purposes out of the parish of Bengeo, in the county of Hertford and in the diocese of Rochester, and out of the parish of Saint Andrew, Hertford, in the same county and diocese.

"Whereas it has been made to appear to us that it would promote the interests of religion that the particular portions of the said parish of Bengeo, and of the said parish of Saint Andrew, Hertford, which are herein-after mentioned and described (such portions not at present containing within their limits any consecrated church or chapel in use for the purposes of divine worship), should be constituted a separate district in the manner herein-after recommended and set forth.

"And whereas Abel Smith, of Woodhall Park, in the said county of Hertford, esquire, has contributed and paid to the credit of our account at the Bank of England the sum of three thousand pounds sterling, in aid of the endowment of the district herein-after recommended to be constituted, and of the maintenance of the Incumbent thereof for the time being, and we have, in respect of such sum, agreed with the said Abel Smith, and have undertaken to provide and pay, by equal half-yearly payments, on the first day of May and on the first day of November in each and every year, to such Incumbent as aforesaid, when duly licensed in accordance with the provisions of the herein secondly mentioned Act, and to his successors, the yearly sum of one hundred pounds.

"And whereas the said sum of three thousand pounds sterling has been so contributed and paid as aforesaid, upon the understanding and condition that (such arrangement appearing to us to be expedient) the whole right of patronage of the said district, and of the nomination of the Incumbent thereof, should be assigned in the manner herein-after mentioned.

"And whereas we have also determined to make and pay, out of the common fund created by the firstly herein mentioned Act, to the Incumbent for the time being of the said district herein-after recommended to be constituted, when duly licensed as aforesaid, the yearly sum of fifty pounds, the payment whereof will be secured by an instrument to be executed by us under our

common seal, in accordance with the provisions of the Act of the twenty-ninth and thirtieth years of Your Majesty, chapter one hundred and eleven.

"Now, therefore, with the consent of the Right Reverend Thomas Legh, Bishop of the said diocese of Rochester (in testimony whereof he has signed and sealed this scheme), we, the said Ecclesiastical Commissioners, humbly recommend and propose, that all those portions of the said parish of Bengeo, and of the said parish of Saint Andrew, Hertford, which are described in the Schedule hereunder written, all which portions, together with the boundaries thereof, are delineated and set forth on the map or plan hereunto annexed, shall, upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme, become and be constituted a separate district for spiritual purposes, and that the same shall be named "The District of Christ Church, Bengeo."

"And we further recommend and propose, that the whole right of patronage of the said district so recommended to be constituted, and of the nomination of the Incumbent thereof, shall, without any assurance in the law other than this scheme and any duly gazetted Order of Your Majesty in Council ratifying the same, and upon and from the day of the date of the publication of such Order in the London Gazette as aforesaid, be assigned to and be absolutely vested in the said Abel Smith, his heirs and assigns, for ever.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of either of them, or of any other Act of Parliament.

"The Schedule to which the foregoing Scheme has reference.

"The District of Christ Church, Bengeo, being :—

"All that portion of the parish of Bengeo, in the county of Hertford and in the diocese of Rochester, and also all that contiguous portion of the parish of Saint Andrew, Hertford, in the said county and diocese, which are comprised within and are bounded by an imaginary line commencing at a point in the centre of the bridge called or known as Cowbridge, which carries the road leading from Port Vale to Hertford over the River Beane ; and extending thence, first south-westward, for a distance of six chains or thereabouts, along the middle of the said river, and then generally north-westward, for a distance of thirty-two chains or thereabouts, along the middle of the eastern channel of the same river, to a point near the southern side of the Hertford, Luton, and Dunstable Railway Bridge, upon the boundary which divides the said parish of Saint Andrew, Hertford, from the parish of Bengeo aforesaid ; and extending thence, generally northward, along the said parish boundary for a distance of half a mile or thereabouts, thereby continuing along the middle of the same river to its junction with the stream which

flows past the north-western side of Mole Wood Mill, and which carries off the waste water from the floodgates of the same mill; and extending thence north-eastward, for a distance of five and a half chains or thereabouts, along the middle of the last described stream, to its junction at the said floodgates with that part of the said River Beane which forms the mill-stream supplying Mole Wood Mill aforesaid; and extending thence south-eastward, for a distance of two and a half chains or thereabouts, along the said mill-stream, to the centre of the bridge which carries the footpath leading from the said mill towards Bengeo, and called or known as Church Path, over the said mill stream; and continuing thence, still south-eastward, for a distance of seven chains or thereabouts, along the middle of the said footpath, as far as the point where it strikes the fence forming the eastern boundary of Little Mole Wood, at which point a boundary stone inscribed 'B. For constituting the District of Saint Augustine, South Kensington, in the County of Middlesex and Diocese of London.

Gazetted 13th July 1869.

At the Court at Windsor, the 9th day of July 1869.

PRESENT:

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen; of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of Her Majesty, chapter one hundred and four, duly prepared and laid before Her Majesty in Council a scheme, bearing date the tenth day of June, in the year one thousand eight hundred and sixty-nine, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of Your Majesty, chapter one hundred and thirteen; of the Act of the sixth and seventh years of Your Majesty, chapter thirty-seven; and of the Act of the nineteenth and twentieth years of Your Majesty, chapter one hundred and four, have prepared, and now humbly lay before Your Majesty in Council, the following scheme for constituting a separate district for spiritual purposes out of the new parish of Saint Mary, West Brompton, in the county of Middlesex and in the diocese of London, and out of the new parish of Saint Paul, Onslow Square, in the same county and diocese.

"Whereas it has been made to appear to us that it would promote the interests of religion that the particular portions of the said new parish of Saint Mary, West Brompton, and of the said new parish of Saint Paul, Onslow Square, which are herein-after mentioned and described (such portions not at present containing within their aggregate limits any consecrated church or chapel in use for the purposes of divine worship), should be constituted into one separate district by the title of 'Saint Augustine, South Kensington,' in the manner herein-after recommended and set forth.

"And whereas a sum of three thousand three hundred and thirty-three pounds six shillings and eightpence, three pounds per centum reduced bank annuities, has been contributed and transferred into our name in the books of the Governor and Company of the Bank of England, by certain persons in aid of the endowment of the district herein-after recommended to be constituted, and of the maintenance of the Incumbent thereof for the time being, and we have in respect of such sum agreed with the persons from whom we received the same, and have undertaken to provide and pay, by equal half-yearly payments on the first day of May and the first day of November in each and every year, to such Incumbent as aforesaid, when he shall have been duly licensed in accordance with the provisions of the herein secondly mentioned Act, and to his successors, the yearly sum of one hundred pounds.

"And whereas the said sum of three thousand three hundred and thirty-three pounds six shillings and eightpence, three pounds per centum reduced bank annuities, has been so contributed and transferred as aforesaid upon the understanding and condition that (such arrangement appearing to us to be expedient) the whole right of patronage of the said district, and of the nomination of the Incumbent thereof, should be assigned in the manner herein-after recommended and proposed.

"And whereas we have also determined to make and pay out of the Common Fund created by the firstly herein-mentioned Act to the Incumbent for the time being of the said district herein-after recommended to be constituted, when duly licensed as aforesaid, the yearly sum of fifty pounds, the payment whereof will be secured by an instrument to be executed by us under our common seal, in accordance with the provisions of the Act of the twenty-ninth and thirtieth years of Your Majesty, chapter one hundred and eleven.

"Now, therefore, with the consent of the Right Honourable and Right Reverend John, Bishop of the said diocese of London (in testimony whereof he has signed and sealed this scheme), we, the said Ecclesiastical Commissioners, humbly recommend and propose, that all those portions of the said new parish of Saint Mary, West Brompton, and of the said new parish of Saint Paul, Onslow-square, which are described in the schedule hereunder written, all which portions, together with the boundaries thereof, are delineated and set forth on the map or plan hereunto annexed, shall, upon and from the day of the publication in the London

Gazette of any Order of Your Majesty in Council ratifying this scheme, become and be constituted into one separate district for spiritual purposes, and that the same shall be named 'The District of Saint Augustine, South Kensington.'

"And we further recommend and propose, that the whole right of patronage of the said district so recommended to be constituted, and when such district shall have become a new parish under the secondly and thirdly herein-before mentioned Acts, then of such new parish, and of the nomination of the Incumbent thereof, shall, without any assurance in the law other than this scheme and any duly gazetted Order of Your Majesty in Council ratifying the same, and upon and from the day of the date of the publication of such Order in the London Gazette as aforesaid, be assigned to and be absolutely vested in, and shall and may from time to time be exercised jointly by, John Archibald Shaw Stewart, of No. 13, Queen's Gate, Kensington, in the said county of Middlesex, Esquire, Edward Ehret Dyson, of No. 18, Elvaston Place, South Kensington, in the said county of Middlesex, Esquire, John Gellibrand Hubbard, of No. 24, Princes Gate, Hyde Park, in the said county of Middlesex, Esquire, the Reverend William Josiah Irons, of No. 12, Saint Michael's Grove, Brompton, in the said county of Middlesex, Doctor in Divinity, and Henry Edward Pellew, of No. 22, Boltons, West Brompton, in the said county of Middlesex, Esquire, and their heirs and assigns for ever.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts or of either of them, or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme has reference.

"The District of Saint Augustine, South Kensington, being :—

which divides the said new parish of Saint Mary, West Brompton, from the new parish of Saint Stephen, South Kensington aforesaid.

"And also all that contiguous portion of the said new parish of Saint Paul, Onslow Square, which is comprised within that piece or parcel of land containing by estimation three thousand two hundred and seventy-five square yards, or thereabouts, and situate to the south of the buildings and premises known as Mathwold's Almshouses, all which portion of the said new parish of Saint Paul, Onslow Square, abuts on the west for a distance of one hundred and twelve feet and six inches on the new parish of Saint Mary, West Brompton aforesaid, and is bounded on all other sides, that is to say, on the north, on the east, and on the south, by an imaginary line commencing upon the boundary which divides the two last-mentioned new parishes, at a point distant one hundred and fifteen feet from the north-western angle of the wall forming the boundary of the buildings and premises known as Mathwold's Almshouses aforesaid; and extending thence north-eastward, and in a direct line, for a distance of two hundred and forty feet and eight inches; and extending thence south-eastward, and in a direct line, for a distance of one hundred feet; and extending thence south-westward, and in a direct line, for a distance of three hundred and thirteen feet and six inches, to a point upon the boundary which divides the said new parish of Saint Paul, Onslow Square, from the new parish of Saint Mary, West Brompton aforesaid, which said last-mentioned point is distant two hundred and twenty-seven feet and six inches, or thereabouts, from the north-western angle of the wall forming the boundary of the buildings and premises known as Mathwold's Almshouses as aforesaid."

And whereas a draft of the said scheme has, in accordance with the provisions of the herein-before secondly mentioned Act, been transmitted to the patrons and to the incumbents of the new parishes out of which it is intended that the district therein recommended to be constituted shall be taken.

And whereas more than one calendar month has elapsed since drafts of the said scheme were so transmitted as aforesaid.

And whereas the said scheme has been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of London.

And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts or of either of them, or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme has reference.

"The District of Saint Matthew, Newcastle-upon-Tyne, being :—

And whereas a draft of the said scheme has, in accordance with the provisions of the herein-before secondly mentioned Act, been transmitted to the patron and to the incumbent of the parish or parochial chapelry of Saint John, Newcastle-upon-Tyne, out of which it is intended that the district therein recommended to be constituted shall be taken :

And whereas one calendar month has elapsed since a draft of the said scheme was so transmitted as aforesaid, and no objections to the said scheme have been made by the patron or by the incumbent of the said parish or parochial chapelry of Saint John, Newcastle-upon-Tyne :

PRESENT:

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen; of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven; and of the Act of the nineteenth and twentieth years of Her Majesty, chapter one hundred and four, duly prepared and laid before Her Majesty in Council a scheme, bearing date the eighth day of July, in the year one thousand eight hundred and sixty-nine, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of Your Majesty, chapter one hundred and thirteen; of the Act of the sixth and seventh years of Your Majesty, chapter thirty-seven; and of the Act of the nineteenth and twentieth years of Your Majesty, chapter one hundred and four, have prepared, and now humbly lay before Your Majesty in Council, the following scheme for constituting a separate district for spiritual purposes out of the

parish of Dalton-in-Furness, in the county of Lancaster and in the diocese of Carlisle.

"Whereas it has been made to appear to us that it would promote the interests of religion that the particular part of the said parish of Dalton-in-Furness which is herein-after mentioned and described (such part not at present containing within its limits any consecrated church or chapel in use for the purposes of divine worship) should be constituted a separate district in the manner herein-after recommended and set forth:

"And whereas the Honourable and Right Reverend Samuel, now Bishop of the said diocese of Carlisle, has contributed and paid to the credit of our account at the Bank of England the sum of three thousand pounds sterling, in aid of the endowment of the district herein-after recommended to be constituted, and of the maintenance of the Incumbent thereof for the time being, and we have, in respect of such sum, agreed with the said Samuel, now Bishop of the said diocese of Carlisle, and have undertaken to provide and pay, by equal half-yearly payments, on the first day of May and the first day of November in each and every year, to such Incumbent as aforesaid, when duly licensed in accordance with the provisions of the herein secondly mentioned Act, and to his successors, the yearly sum of one hundred pounds:

"And whereas the said sum of three thousand pounds sterling has been so contributed and paid as aforesaid, upon the understanding and condition that (such arrangement appearing to us to be expedient) the whole right of patronage of the said district, and of the nomination of the incumbent thereof, should be assigned in the manner herein-after mentioned:

"And whereas we have also determined to make and pay out of the Common Fund created by the firstly herein-mentioned Act to the Incumbent for the time being of the said district herein-after recommended to be constituted, when duly licensed as aforesaid, the yearly sum of fifty pounds, the payment whereof will be secured by an instrument to be executed by us under our common seal, in accordance with the provisions of the Act of the twenty-ninth and thirtieth years of Your Majesty, chapter one hundred and eleven:

"Now, therefore, with the consent of the said Samuel, Bishop of the said diocese of Carlisle (in testimony whereof he has signed and sealed this scheme), we, the said Ecclesiastical Commissioners, humbly recommend and propose, that all that part of the said parish of Dalton-in-Furness which is described in the schedule hereunder written, all which part, together with the boundaries thereof, is delineated and set forth on the map or plan hereunto annexed, shall, upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme, become and be constituted a separate district for spiritual purposes, and that the same shall be named 'The District of Newbarns and Hawcoat.'

"And we further recommend and propose, that the whole right of patronage of the said district so recommended to be constituted, and of the nomination of the incumbent thereof, shall,

without any assurance in the law other than this scheme, and any duly gazetted Order of Your Majesty in Council ratifying the same, and upon and from the day of the date of the publication of such Order in the London Gazette as aforesaid, be assigned to and be absolutely vested in the said Samuel, now Bishop of the said diocese of Carlisle, his heirs and assigns for ever.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of either of them, or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme has reference.

"The District of Newbarns and Hawcoat, being :—

"All that part of the parish of Dalton-in-Furness, in the county of Lancaster and in the diocese of Carlisle, wherein the present Incumbent of such parish now possesses the exclusive cure of souls, which is bounded on the west by the chapelry of Walney, in the said parish of Dalton-in-Furness, on the south partly by the district of Saint James, Barrow-in-Furness, and partly by the new parish of Saint George, Barrow, both sometime part of the parish of Dalton-in-Furness aforesaid, and on the remaining sides, that is to say, on the east and on the north, by an imaginary line commencing upon the boundary which divides the said new parish of Saint George, Barrow, from the parish of Dalton-in-Furness aforesaid, at a point in the middle of the road called or known as Bridge Gate Causeway, where the said road is joined by Flass Lane on the southern side of the house called or known as Bridge Gate ; and extending thence north-westward, along the middle of the said lane, to its junction with Rating Lane ; and extending thence northward, along the middle of the last-named lane, to the point, on the western side of New Manor House, where the same last-named lane is joined by the road called or known as Leith Flat Brow, and by the road called or known as Rakes, and continuing thence, still northward, for a distance of six chains or thereabouts, along the middle of the last-named road, to a point in the centre of the culvert which carries the same road over Dane Gill Beck ; and extending thence north-westward, for a distance of fifty-nine chains or thereabouts, along the middle of the said beck, to a point in the centre of the culvert which carries the footpath leading from High Barn to the house called or known as Rakes Moor over the same beck ; and extending thence, first westward and then northward, for a distance of seventeen chains or thereabouts, along the middle of the said footpath, to its junction, on the western side of the last-named house, with the road leading into Rakes Moor Lane; and extending thence westward, along the middle of the last-described road, to its junction with the said Rakes Moor Lane ; and extending thence southward, along the middle of the last-named lane, to its junction with Bank Lane ; and extending thence, generally westward, along the middle of

And whereas a draft of the said scheme has, in accordance with the provisions of the herein-before secondly-mentioned Act, been transmitted to the patron and to the incumbent of the parish out of which it is intended that the district therein recommended to be constituted shall be taken:

And whereas more than one calendar month has elapsed since drafts of the said scheme were so transmitted as aforesaid:

And whereas the said scheme has been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Carlisle.

"Whereas by the eighth section of the above-mentioned Act, after reciting that certain portions of Lambeth Palace, namely, the Lollards' Tower and Cardinal Morton's Tower, are not necessary or useful for the enjoyment by the Archbishops of Canterbury of the Palace as a place of residence, whilst it is expedient that they should be preserved as monuments of historical and antiquarian interest, it is enacted that the costs of the preservation as aforesaid of such portions of Lambeth Palace shall, by the authority of a scheme passed by us, and of an Order of Your Majesty in Council ratifying the same, be defrayed out of the rents and profits of the estates of the see of Canterbury in our hands, and that the Archbishop of Canterbury for the time being, his executors, administrators, estate, and effects, shall be discharged from all liability for or in respect of dilapidations on the aforesaid portions of Lambeth Palace:

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the twenty-ninth and thirtieth years of Her Majesty, chapter one hundred and eleven, intituled "An "Act to further amend the Acts relating to the Ecclesistical "Commissioners for England," duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-ninth

day of July, in the year one thousand eight hundred and sixty-nine, in the words following ; that is to say :

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the twenty-ninth and thirtieth years of Your Majesty, chapter one hundred and eleven, have prepared, and now humbly lay before Your Majesty in Council, the following scheme, relating to the library in the Palace of the Archbishops of Canterbury at Lambeth.

"Whereas by the seventh section of the above-mentioned Act, after reciting that the public had for a long period had access to the said library, at certain periods and under certain restrictions, and that the cost of the custody and maintenance thereof has been theretofore defrayed out of the gross revenues arising from the estates of the See of Canterbury, and that such estates had as aforesaid become transferred to us, it was enacted that the cost of the maintenance of such library, and of the custody of the books therein, might, if we should think fit, by the authority of a scheme passed by us, and of an Order of Your Majesty in Council ratifying the same, be defrayed out of the rents and profits of such estates :

"And whereas after due consideration we are of opinion that provision should be made by us for the maintenance of the said library, and of the custody of the books therein, in the manner herein-after set forth :

"And whereas the Most Reverend Charles Thomas Longley, Doctor in Divinity, the late Archbishop of the said see, received from the executors of his predecessor therein, in respect of the dilapidations of the said library, the sum of two hundred and fourteen pounds five shillings and tenpence, and there has been paid over to us, in diminution and relief of the costs and charges which will be incurred by us in respect of the repair and maintenance of the said library, the sum of one hundred and ninety-four pounds fourteen shillings and twopence, being the balance of the above-mentioned sum, after deducting the outlay made by the said Archbishop in repairs of the said library, and the said sum of one hundred and ninety-four pounds fourteen shillings and twopence has been accordingly placed by us to the credit of our Common Fund :

"Now, therefore, we humbly recommend and propose that we be authorized to execute forthwith and from time to time, with the approval and concurrence of the Archbishop of Canterbury, for the time being, such repairs of the fabric of the said library as we may consider necessary or desirable.

"And we further recommend and propose that the books and manuscripts in the said library shall be forthwith, or as soon as conveniently may be, placed in a proper state of repair at our expense and under our direction, subject, nevertheless, to the like approval and concurrence of the said Archbishop.

"And we further recommend and propose that there shall be paid by us to the Archbishop of Canterbury for the time being, by equal half-yearly payments on the first day of January and the first day of July in every year, the annual sum of one hundred

and fifty pounds, and that a sum equivalent to two such half-yearly payments shall be made immediately on the gazetting of an Order of Your Majesty in Council ratifying this scheme, in respect of the two half years which have elapsed since the first day of January one thousand eight hundred and sixty-eight: Provided always, that no payment to be made by us for or in respect of any one half year as aforesaid shall exceed in amount the sum which shall have been proved, by certificate from the Archbishop of Canterbury for the time being or otherwise to our satisfaction, to have been actually expended by the said Archbishop for the time being in respect of the same half-year in providing for the custody of the books and manuscripts contained in such library, in maintaining the same when repaired as aforesaid in a fitting condition, and in rendering the same accessible to the public at such times, and subject to such restrictions, as we shall have previously approved: Provided also that, subject to such restrictions, access to the said library shall be secured to the public during a period of nine months in every year, on three days (at the least) in every week, for not less than three hours on each day, and that all the payments aforesaid be made out of the rents and profits of the estates formerly belonging to the see of Canterbury which have been transferred to us.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, in conformity with the said herein-before mentioned Act, or any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Canterbury.

Relating to the Episcopal House of Residence in the City of Peterborough, belonging to the Bishop of Peterborough.

Gazetted 10th August 1869.

At the Court at Osborne House, Isle of Wight, the 7th day of August 1869.

PRESENT:

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of His late Majesty King William the Fourth, chapter seventy-seven, and of the Act of the fifth and sixth years of Her present Majesty, chapter twenty-six, duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-second day of July, in the year one thousand eight hundred and sixty-nine, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, have, in pursuance of the Act of the sixth and seventh years of His late Majesty King William the Fourth, chapter seventy-seven, and of the Act of the fifth and sixth years of Your Majesty, chapter twenty-six, duly prepared, and now humbly lay before your Majesty in Council, the following scheme for adding to and improving the episcopal house of residence in the city of Peterborough belonging to the Bishop of Peterborough.

"Whereas there is not any chapel attached to the episcopal residence at Peterborough, and for the purpose of providing such a chapel, and of effecting certain other works of improvement in and about the fabric of the same residence, the Right Reverend William Connor, Bishop of Peterborough, has proposed to us, and we, after due consideration, think it expedient, that towards defraying the cost of such chapel, and of such other works of improvement, a sum of one thousand two hundred pounds, being a sum which, together with the two loans authorized by two Orders of your Majesty in Council, dated respectively the seventh day of January, in the year one thousand eight hundred and sixty-five, and the seventh day of August in the same year, and respectively published in the London Gazette on the tenth day of January, in the year one thousand eight hundred and sixty-five, and on the eighth day of August in the same year, does not exceed two years' income of the see of Peterborough, should be provided by borrowing the same by way of mortgage upon the security of all or any part of the endowments of the same see:

Now, therefore, with the consent of the said William Connor, Bishop of Peterborough, testified by his having signed and sealed this scheme, we humbly recommend and propose that the said bishop be authorized to borrow from the Governors of the Bounty

of Queen Anne, and that the said Governors be empowered to lend, under the provisions of the above-mentioned Acts, the sum of one thousand two hundred pounds, and as a security for the same that the said Bishop do mortgage all or any part of the endowments now belonging or which hereafter may belong to his said see to the said Governors by deed for the term of thirty-five years, or until the said sum of one thousand two hundred pounds, with the interest for the same, and all costs and charges which may attend the recovery thereof, shall be fully paid and satisfied, and that such principal sum shall be repaid with interest, in manner following, that is to say, from and after the expiration of the first year of the said term, computed from the day of the date of the mortgage, in which year no part of the said principal sum shall be repayable, the said Bishop, or his successors, shall yearly and every year pay to the said Governors, their successors or assigns, one thirtieth part of the said principal sum until the whole thereof shall be repaid, and shall at the end of the first and each succeeding year pay interest at the rate of four pounds per centum per annum on the said principal sum, or on so much thereof as shall from time to time remain unpaid, and if and when it shall happen that the principal and interest directed to be paid as herein-before mentioned shall be in arrear and unpaid, for the space of forty days after the same shall become due, it shall and may be lawful for the said Governors, their successors and assigns, to recover the same, and the costs and charges attending the recovery thereof, by distress and sale, in the like manner as rents may be recovered by landlords or lessors from their tenants by the laws in force at the time of such distress and sale ; and that such mortgage deed shall be in a form to be approved by us, and shall bind as well the said William Connor, Bishop of Peterborough, as every succeeding bishop of the said see, until the principal money and interest, costs, and charges, shall have been paid off and discharged.

"And we further recommend and propose, that the said sum of one thousand two hundred pounds shall be paid to us, and that the receipt of our joint treasurers, for the time being, endorsed on the said mortgage deed shall be a good and sufficient discharge to the said Governors and their successors for the same, who shall not be bound or required to see to the application thereof, and that upon the receipt of the said sum of one thousand two hundred pounds the whole or any part or parts thereof shall be applied by us, at such times and in such manner as shall appear to us to be expedient, towards effecting the said works of improvement in the episcopal house of residence aforesaid.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in conformity with the provisions of the herein named Acts, or of either of them, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council : Now, therefore, Her Majesty, by and with the advice of her said Council, is pleased hereby to ratify the

said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Peterborough.

For constituting the District of Saint Mary, Strood, in the County of Kent and Diocese of Rochester.

Gazetted 10th August 1869.

At the Court at Osborne House, Isle of Wight, the 7th day of August 1869.

PRESENT:

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of Her Majesty, chapter one hundred and four, duly prepared and laid before Her Majesty in Council a scheme, bearing date the first day of July, in the year one thousand eight hundred and sixty-nine, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of Your Majesty, chapter one hundred and thirteen, of the Act of the sixth and seventh years of Your Majesty, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of Your Majesty, chapter one hundred and four, have prepared, and now humbly lay before Your Majesty in Council, the following scheme for constituting a separate district for spiritual purposes out of the parish or parochial chapelry of Strood, and out of the parish of Frindsbury, both in the county of Kent and in the diocese of Rochester.

"Whereas it has been made to appear to us that it would promote the interests of religion that the particular portions of the said parish or parochial chapelry of Strood, and of the said parish of Frindsbury, which are herein-after mentioned and described (such portions not at present containing within the limits of the same any consecrated church or chapel in use for the purposes of Divine worship), should be constituted into one separate district in the manner herein-after recommended and proposed:

"And whereas the Reverend John Griffith, Canon of the cathedral church of Rochester, Doctor in Divinity, has contributed and paid to the credit of our account at the Bank of England, the sum of three thousand pounds sterling, in aid of the endowment of the district herein-after recommended to be constituted, and of the maintenance of the incumbent thereof for the time being, and we have, in respect of such sum, agreed with the said John Griffith, and have undertaken to provide and pay by equal half-

yearly payments, on the first day of May and on the first day of November in each and every year, to such incumbent as aforesaid, when duly licensed in accordance with the provisions of the herein secondly mentioned Act, and to his successors, the yearly sum of one hundred pounds :

" And whereas the said sum of three thousand pounds sterling has been so contributed and paid as aforesaid, upon the understanding and condition that (such arrangement appearing to us to be expedient) the whole right of patronage of the said district, and of the nomination of the incumbent thereof, should be assigned in the manner herein-after recommended and proposed :

" And whereas we have also determined to make and pay out of the Common Fund created by the firstly herein-mentioned Act, to the incumbent of the said district herein-after recommended to be constituted, when duly licensed as aforesaid, and to his successors, a grant of fifty pounds per annum, which said grant will be secured by an instrument to be executed by us under our common seal, in accordance with the provisions of the Act of the twenty-ninth and thirtieth years of Your Majesty, chapter one hundred and eleven :

" Now, therefore, with the consent of the Right Reverend Thomas Legh, Bishop of the said diocese of Rochester (in testimony whereof he has signed and sealed this scheme), we humbly recommend and propose, that all those portions of the said parish or parochial chapelry of Strood, and of the said parish of Frindsbury, which are described in the schedule hereunder written, all which portions, together with the boundaries thereof, are delineated and set forth on the map or plan hereunto annexed, shall, upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme, become and be constituted one separate district for spiritual purposes, and that the same shall be named ' The District of Saint Mary, Strood.'

" And we further recommend and propose, that the right of patronage of the said district so recommended to be constituted, and of the nomination of the Incumbent thereof, shall, without any assurance in the law other than this scheme, and any duly gazetted Order of Your Majesty in Council ratifying the same, and upon and from the day of the date of the publication of such Order in the London Gazette, for the first one turn only be assigned to and be exercised by the said John Griffith, and Mary Elizabeth, his present wife, jointly, or by the survivor of them; and that from and after the exercise of the said first one turn of patronage, or the decease of the said survivor, whichever event shall first happen, then that the whole or remaining right of patronage and nomination aforesaid shall, without any assurance in the law other than this scheme and any duly gazetted Order of Your Majesty in Council ratifying the same, be assigned to and be absolutely vested in, and shall and may from time to time be exercised by the Bishop of the said diocese of Rochester, and by his successors bishops of the same diocese for ever.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them, in accordance with the provisions of the said Acts, or of either of them, or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme has reference.

"The District of Saint Mary, Strood, being :—

"All those contiguous portions of the parish or parochial chapelry of Strood, and of the parish of Frindsbury, both in the county of Kent and in the diocese of Rochester, which said portions of such cures are bounded on the south-east by the middle of the River Medway, that is, by the parish of Saint Nicholas, Rochester, in the county and diocese aforesaid ; and upon all other sides, that is to say, on the west, on the north, and on the east, by an imaginary line commencing in the centre of Rochester Bridge, upon the boundary in the middle of the said River Medway which divides the last-named parish from the parish or parochial chapelry of Strood aforesaid ; and extending thence north-westward along the middle of the said bridge, and along the middle of High Street, Strood (passing under the line of the North Kent Branch of the South-Eastern Railway) to the junction of the said street with North Street ; and extending thence northward along the middle of the last-named street (passing under the line of the London Chatham and Dover Railway) to the junction of the same street with the Frindsbury Road; and extending thence north-eastward, for a distance of two and a half chains or thereabouts, along the middle of the last-named road (thereby following in part the boundary which divides the said parish or parochial chapelry of Strood from the parish of Frindsbury aforesaid) to the junction of the same road with Stonehorse Lane ; and extending thence, first north-westward and then northward, for a distance of twenty-eight chains or thereabouts, along the middle of the said lane, to the boundary which divides the said parish or parochial chapelry of Strood from the parish of Frindsbury aforesaid; and extending thence, first south-eastward and then south-westward, along the said boundary (thereby again following in part the middle of the Frindsbury Road aforesaid), as far as the point where the last-named road is joined by the New Road leading to the Strood Station on the line of the North Kent Branch of the South-Eastern Railway aforesaid; and extending thence, first south-eastward and then south-westward, for a distance of nineteen chains or thereabouts, along the middle of the said New Road to its junction, on the northern side of the Strood Station aforesaid, with a certain footway which crosses under the line of the said lastly-named railway to the southern side of the same station; and extending thence, first south-eastward and then south westward, along the middle of the said footway, to its junction with the roadway which leads from the Strood Station aforesaid to Canal Road; and extending thence south-eastward, along the middle of the last-described roadway, to its junction with Canal Road aforesaid; and continuing thence, still south-eastward, across the last-

named road to and along the middle of Strood Pier, to the south-eastern end of the same pier ; and continuing thence in the same direction and in a straight line to a point upon the boundary, in the middle of the said River Medway, which divides the said parish of Frindsbury from the parish of Saint Nicholas, Rochester, as first mentioned."

And whereas a draft of the said scheme has, in accordance with the provisions of the herein-before secondly-mentioned Act, been transmitted to the patrons and to the incumbents of the cures out of which it is intended that the district therein recommended to be constituted shall be taken :

And whereas more than one calendar month has elapsed since drafts of the said scheme were so transmitted as aforesaid :

And whereas the said scheme has been approved by Her Majesty in Council : Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts ; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Rochester.

Relating to the Dean and Chapter of the Collegiate Church of Saint Peter, Westminster.

Gazetted 13th August 1869.

At the Court at Osborne House, Isle of Wight, the 7th day of August 1869.

PRESENT :

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of "The Ecclesiastical Commission Act, 1868," duly prepared and laid before Her Majesty in Council a scheme, bearing date the first day of July, in the year one thousand eight hundred and sixty-nine, in the words and figures following ; that is to say :

" We, the Ecclesiastical Commissioners for England, in pursuance of the 'Ecclesiastical Commission Act, 1868,' sections three and four, have prepared, and now humbly lay before Your Majesty in Council, the following scheme relating to the Dean and Chapter of the collegiate church of Saint Peter, Westminster, of which corporation Your Majesty is visitor.

" Whereas the said Chapter now consists of a dean and six canons, six canonries having been suspended under the provisions of an Act passed in the session held in the third and fourth years of Your Majesty's reign, intituled 'An Act to carry ' into effect, with certain modifications, the fourth Report of the ' Commissioners of Ecclesiastical Duties and Revenues :'

" And whereas the said Dean and Chapter have agreed with us that a scheme should be laid before Your Majesty in Council, for carrying into effect a transfer to us of part of the property belonging to them for the considerations and upon the terms herein-after set forth, which terms are, in our opinion, fair and reasonable ; and the said Dean and Chapter have further agreed with us that such scheme should also comprise the incidental provisions herein-after set forth, such provisions being necessary for carrying into effect the said transfer :

" And whereas the lands, tithes, tenements, and hereditaments which are particularly described in the Schedule hereunto annexed and marked A, are part of the property of the said Dean and Chapter ; and the said Dean and Chapter are also beneficially interested in or otherwise entitled to the sums of stock and cash particularly specified and set forth in the schedule hereunto annexed, marked C :

" And whereas we are in possession of certain lands, tenements, and hereditaments particularly described in the schedule hereunto annexed and marked B, the whole of which are vested

in us in fee simple, excepting small portions thereof, amounting to about twelve acres, which are held by us under leases at peppercorn rents, granted for terms of eight hundred years; and we are also in possession of the lands, tenements, and hereditaments comprised in the second part of the said schedule marked A, having acquired, by purchase and otherwise, certain leasehold and copyhold interests therein :

"And whereas by an Order of Your Majesty in Council, bearing date the eighth day of August, in the year one thousand eight hundred and fifty-three, and duly published in the London Gazette of the twenty-sixth day of the same month, and made under the authority of the herein-before mentioned Act of the third and fourth years of Your Majesty, and of another Act of the fourth and fifth years of Your Majesty, intituled 'An Act to 'explain and amend two several Acts relating to the Ecclesiastical 'Commissioners for England,' provision is made for securing to the Dean and Canons of the said collegiate church, appointed subsequently to the date of the said Order, the respective annual income of two thousand pounds for such dean and one thousand pounds for every such canon, it being by the said Order provided that the surplus decanal or canonical income calculated in the manner therein specified, shall be paid over to us, or that any deficiency in the amount of such income shall be made up by means of payments out of our funds :

"And whereas two of the canons of the said church were appointed previously to the date of the said Order, and are accordingly now receiving, and are entitled to receive, so long as they may continue to hold their canonries, the same proportions of the capitular income as they would have been entitled to receive had such Order not been passed, that is to say, the Reverend John Thynne, Doctor in Divinity, commonly called Lord John Thynne, as the holder of a canonry to which he was appointed before the passing of the said Act of the third and fourth years of Your Majesty, is entitled to receive the whole share of capitular income arising in respect of his said canonry ; and the Reverend John Jennings, Master of Arts, as the holder of the canonry which by the same Act was annexed to the rectory of the parish of Saint John, in the city of Westminster, is entitled, under the provisions of the same Act, and of another Act passed in the Session of Parliament held in the twenty-ninth and thirtieth years of Your Majesty, and intituled 'An Act to 'further amend the Acts relating to the Ecclesiastical Commis- 'sioners for England,' to receive two third parts of the share of capitular revenue arising in respect of his said canonry ; and we are satisfied, after due enquiry, that the shares of capitular revenue which the said John Thynne and John Jennings are entitled to receive respectively, as aforesaid, may be fairly estimated as exceeding on the average the annual incomes to which the future holders of their canonries will be entitled by the respective annual amounts of one thousand and five hundred pounds and six hundred and sixty-six pounds thirteen shillings and fourpence :

"And whereas the Right Reverend Christopher, Lord Bishop of Lincoln, was previously to the twenty-fourth day of February now last past, on which date he succeeded to his said see, the holder of a canonry in the said church, and was entitled as such canon, under the provisions of an Order of Your Majesty in Council, dated the third day of April, one thousand eight hundred and forty-three, and published in the London Gazette on the fourth day of the same month (which provisions will not affect any future canon of the said church), to receive five-sixths of the share of capitular revenue arising in respect of his said canonry, and we are satisfied that the share of capitular revenue which the said bishop was as such canon thus entitled to receive, may be estimated as exceeding on the average the annual income to which the present holder of the same canonry will be entitled, by the amount of one thousand and eighty-three pounds six shillings and eightpence annually:

"And whereas by the 'Public Schools Act, 1868,' provision is made for the payment by us to the governing body of Westminster School for the time being of a capital sum of fifteen thousand pounds and of an annual sum of three thousand and five hundred pounds, and it is by the said Act enacted that, in consideration of the said payments, all annual or other sums of money which, if the said Act had not been passed, would have been paid to Westminster School by the said dean and chapter after the twenty-ninth day of September, one thousand eight hundred and sixty-eight, shall belong and be paid to us:

"And whereas we have accordingly paid to the governing body of the said school the said sum of fifteen thousand pounds, and are now paying to such governing body the said annual sum of three thousand and five hundred pounds, in the manner prescribed by the said Act:

'And whereas, after due inquiry, we have satisfied ourselves that the income arising from the lands and hereditaments hereinafter proposed to be reserved or transferred to the said dean and chapter, and from the several annual payments proposed to be made to them by us, will suffice, after the appropriation of a certain part of such income in the manner herein-after recommended, to the maintenance of the fabric, establishment, and services of the said church, to provide for the present and future dean and canons the incomes to which they are respectively entitled under the provisions of the herein-before recited Acts and Orders in Council, and we are of opinion that the arrangement herein-after set forth will be the most convenient mode of effecting for the future the purposes contemplated in the first herein-before mentioned Order of Your Majesty in Council:

"Now, therefore, with the consent of the Dean and Chapter of the Collegiate Church of Saint Peter, Westminster, testified by their having hereunto affixed their corporate seal, and with the consent of Your Majesty, as visitor, testified by Your Majesty's sign manual, we humbly recommend and propose that all the manors, lands, tithes, tenements, and hereditaments, and the sums specified in the schedule marked C, annexed to this scheme,

together with all other sums of stock and cash, if any, which belong either in possession or reversion to the said dean and chapter, excepting any right of ecclesiastical, educational, or other like patronage, the said collegiate church and the precincts thereof (with all buildings therein) designated the parish of the Close of the Collegiate Church of Saint Peter, Westminster, and excepting also the lands, tenements, and hereditaments particularly described in the two parts of the schedule hereunto annexed, marked A, together with the benefit of the perpetual land tax charged thereupon, which has been redeemed shall, upon and from the day on which any Order of Your Majesty in Council ratifying this scheme shall be duly published in the London Gazette, be transferred to us in the manner contemplated by the said first-mentioned Act, and that we shall be entitled to the rents, profits, and proceeds thereof as from the twenty-ninth day of September, in the year one thousand eight hundred and sixty-eight ; and that in consideration of and for such transfer, the lands, tenements, and hereditaments particularly set forth in the schedule hereunto annexed, marked B, together with the benefit of the perpetual land tax charged thereon, which has been redeemed, and also all our estate and interest in the lands, tenements, and hereditaments, particularly set forth in the second part of the schedule hereunto annexed, marked A, shall, upon and from the day on which any Order of Your Majesty in Council ratifying this scheme shall be duly published in the London Gazette, be transferred to the said dean and chapter in the manner contemplated by the said first-mentioned Act, and that the said dean and chapter shall be entitled to the rents, profits, and proceeds thereof, as from the said twenty-ninth day of September, one thousand eight hundred and sixty-eight ; and that in further consideration of and for such transfer, we shall surrender all right, and be excluded from all participation (in respect of the said suspended canonries or otherwise) to and in the proceeds of the estates and property to be retained by the said dean and chapter, or to be hereby or hereafter transferred to them as part of their permanent endowment, or in the money payments hereinafter mentioned ; and that in further consideration of and for such transfer to us as aforesaid, there shall be paid by us to the said dean and chapter, by equal half-yearly payments on the twenty-fifth day of March and the twenty-ninth day of September in every year, the annual sum of nine thousand and nine hundred pounds, and that such payment shall continue until the said dean and chapter shall have been, under the authority provided by the said first-mentioned Act, put in possession in fee simple of real estates sufficient to secure to them a clear annual income, irrespective of the income arising from the estates intended to be hereby reserved or transferred to them, and after allowing for rates, taxes, agency, and other outgoings, of nine thousand and nine hundred pounds.

"And we further recommend and propose that, in further consideration of and for such transfer, there shall be paid by us to the said dean and chapter, by equal half-yearly payments on

the twenty-fifth day of March and the twenty-ninth day of September in every year, the following annual sums, until the several avoidances of the two canonries particularly herein-before referred to, that is to say, the annual sum of one thousand and five hundred pounds, until the avoidance of the canonry held by the said John Thynne, and the sum of six hundred and sixty-six pounds thirteen shillings and fourpence, until the avoidance of the canonry held by the said John Jennings, and that such two last-mentioned annual sums shall be paid over by the said dean and chapter to the said John Thynne and John Jennings respectively, and that there shall also be paid by us to the said dean and chapter for the said Bishop of Lincoln, the sum of four hundred and fifty-four pounds seven shillings and elevenpence, being a proportionate part of the before-mentioned annual amount of one thousand and eighty-three pounds six shillings and eightpence for the period which elapsed between the said twenty-ninth day of September, one thousand eight hundred and sixty-eight, and the said twenty-fourth day of February now last past.

"And we further recommend and propose, that there shall also be paid by us to the said dean and chapter, by equal half-yearly payments on the twenty-fifth day of March and the twenty-ninth day of September in every year, during the life of Charles St. Clare Bedford, Gentleman, their present chapter clerk, the annual sum of four hundred pounds (such last-mentioned sum to be by them appropriated and paid to the said Charles St. Clare Bedford, in respect of the profits which would have accrued to him on account of the management of the estates hereby proposed to be transferred to us), and that the first half-yearly payment in respect of each of the annual sums herein-before proposed to be paid to the said dean and chapter, for the period which elapsed between the said twenty-ninth day of September, one thousand eight hundred and sixty-eight, and the twenty-fifth day of March now last past, shall be made immediately on the publication in the London Gazette of an Order of Your Majesty in Council ratifying this scheme.

"And we further recommend and propose, that as the consideration for the loss which the said dean and chapter have sustained by having abstained from renewing certain leases of the said lands, tenements, and hereditaments hereby proposed to be transferred to us, which became renewable prior to or upon the said twenty-ninth day of September, one thousand eight hundred and sixty-eight, there shall, immediately upon the publication of such Order as aforesaid, be paid by us to the said dean and chapter a sum of seventy thousand pounds (of which sum fifty-eight thousand and fifty-seven pounds six shillings and fourpence will be repaid to us, as the amount to which we shall become entitled in respect of our right to share in the capitular revenues according to the provisions of the herein-before mentioned Order of the eighth day of August, one thousand eight hundred and fifty-three), and that the receipt or receipts of the treasurer for the time being of the said dean and chapter shall be a good and valid discharge to us for all or any and every such

sum or sums of money as shall therein be expressed to have been paid to him by us under the authority of this scheme, when ratified as aforesaid.

"And we further recommend and propose that, as a further consideration for such transfer to us as aforesaid, a capital sum of twenty thousand pounds shall be set apart by us to be expended by the said dean and chapter to our satisfaction, in substantial repairs, restoration, and improvements of the said collegiate church and of the buildings belonging thereto, and that interest after the rate of three pounds per centum per annum shall be allowed by us to the said dean and chapter, as from the said twenty-ninth day of September, one thousand eight hundred and sixty-eight, upon the said capital sum of twenty thousand pounds, and on the balances thereof from time to time remaining in our hands, such interest to be also expended to our satisfaction in substantial repair, restoration, and improvement of the said collegiate church and buildings.

"And we further recommend and propose that, until the said dean and chapter shall have been put in possession in the manner herein-before mentioned of real estates calculated to produce the sum of nine thousand and nine hundred pounds per annum, the total annual income derived by them from all sources, excepting the three several annual sums herein-before proposed to be paid by us for the benefit of the said John Thynne, John Jennings, and Charles St. Clare Bedford respectively, shall be appropriated in the following manner, namely, the sum of eight thousand pounds per annum shall be applied to providing the incomes of the dean and canons, that is to say, the income of two thousand pounds for the dean, and one thousand pounds for each canon, and that the remainder of such total annual income shall be appropriated to the maintenance of the services of the said church, the repairs of the fabric thereof, and of the collegiate buildings, and to the payment of all the other expenses and liabilities chargeable upon the corporate revenues of the said dean and chapter, and that if the whole of such total annual income be not expended as aforesaid in any one year, the surplus thereof shall be accumulated and be applicable to making good deficiencies (if any) in subsequent years, and that when and as soon as the said dean and chapter shall have been placed in possession as aforesaid of real estates calculated to produce the annual sum of nine thousand and nine hundred pounds, the net income derived by them from such estates and from the estates hereby proposed to be reserved to and to be transferred to them, after payment of all outgoings and charges thereon, shall be annually divided by them into twenty parts, which twenty parts shall be appropriated in perpetuity as follows; that is to say, two of such parts for the income of the dean, six of such parts for the income of the six canons, and the remaining twelve of such parts, together with the income arising from the profits of the office of High Bailiff of Westminster, and from fees and any other sources, shall be applied to defray the expenses of maintaining the services of the said church, the repairs of the fabric and collegiate

buildings, and all the other expenses and liabilities chargeable upon the corporate revenues of the dean and chapter: Provided always, that if the whole of such twelve parts, or of the income derived from the sources last mentioned, be not in any year so expended, the surplus thereof shall be accumulated and be applicable to making good deficiencies (if any) in subsequent years.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the matters aforesaid in conformity with the said Acts, or either of them, or of any other Act of Parliament.

ARTHUR HELPS.

No. 2,297.

For authorizing the Sale and Disposal of certain Property, formerly belonging to the Sinecure Rectory of Llansaintffraid-yn-Mechan, in the County of Montgomery.

Gazetted 13th August 1869.

At the Court at Osborne House, Isle of Wight, the 7th day of August 1869.

PRESENT:

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, duly prepared and laid before Her Majesty in Council a scheme, bearing date the fifth day of August, in the year one thousand eight hundred and sixty-nine, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act of the sixth and seventh years of Your Majesty, chapter thirty-seven, sections six and eight, have prepared, and now humbly lay before Your Majesty in Council the following scheme for authorizing the sale and disposal of certain property formerly belonging to the sinecure rectory of Llansaintffraid-yn-Mechan, in the county of Montgomery, and now vested in us.

"Whereas on the vacancy of the said rectory, which occurred on or about the fourteenth day of February, in the year one thousand eight hundred and forty-six, by the decease of the Reverend Charles Ross Thoroton, the then sinecure rector, all the lands, tithes, tenements, and hereditaments theretofore belonging to the said sinecure rectory (except rights of patronage), became by virtue of the Act of the third and fourth years of Your Majesty, chapter one hundred and thirteen, absolutely vested in us, for the purposes and subject to the provisions applicable to other hereditaments vested in us:

"And whereas the lands, tithes, tenements, and hereditaments aforesaid are now, with the exception of certain portions thereof which have been annexed to certain benefices, in our possession, and not subject to any outstanding lease or grant, but part of the same are on account of their character or situation unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the acts by which our proceedings are governed:

"And whereas with a view to the advantageous appropriation of the said lands, tithes, tenements, and hereditaments, so in our possession as aforesaid, or of the proceeds thereof, for the ultimate improvement of our Common Fund, it is expedient that the said lands, tithes, tenements, and hereditaments, or such part or parts thereof as we shall at any time and from time to time think fit, should be sold or disposed of, and accordingly that we should be empowered to dispose of our interest in such lands, tithes, tenements, and hereditaments, or in any part or parts thereof, in such manner as shall appear to us advisable:

"Now, therefore, we humbly recommend and propose that we may be authorized and empowered, by instrument or instruments in writing, duly executed according to law, from time to time to sell or dispose of, and duly to convey, according to the provisions of the said Act of the sixth and seventh years of Your Majesty's reign, all or any of the said lands, tithes, tenements, and hereditaments formerly belonging to the said rectory, and so vested in us and in our possession as aforesaid, with their appurtenances, and all our estate, right, title, and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs, executors, administrators, or assigns, or otherwise as he or they shall direct or appoint, and for such consideration as shall upon due calculation and inquiry appear to us to be just and reasonable, it being our intention to invest the proceeds thereof from time to time as occasion may arise, in the purchase of other lands, tithes, rentcharges, tenements, or hereditaments, or of some estate or interest therein, convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid, and in the meantime to invest the said proceeds in some government or parliamentary stock, or other public securities in England.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any

other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament."

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the eighth and ninth years of Her Majesty, chapter seventy ; of the Act of the fourteenth and fifteenth years of Her Majesty, chapter ninety-seven ; and of the Act of the nineteenth and twentieth years of Her Majesty, chapter fifty-five, duly prepared and laid before Her Majesty in Council a representation, bearing date the fifteenth day of July, in the year one thousand eight hundred and sixty-nine, in the words and figures following ; that is to say :

"Whereas in those extremities of the parish or parochial chapelry of Church Gresley, in the county of Derby and diocese

of Lichfield aforesaid, of the parish or parochial chapelry of Measham, in the same county and diocese, and of the parish of Seal, in the county of Leicester and diocese of Peterborough, which are comprised within the said hamlet of Donisthorpe, and also at certain other extremities of the said parish or parochial chapelry of Church Gresley, and at certain extremities of the parish of Stretton-en-le-Field, in the said county of Derby and in the said diocese of Lichfield, and of the parish of Ashby-de-la-Zouch, in the county of Leicester and in the diocese of Peterborough aforesaid, all which said extremities lie contiguous one to another, and are described in the schedule hereunder written, there is collected together a population which is situate at a distance from the several churches of such parishes or parochial chapelries respectively :

"And whereas it appears to us to be expedient that such contiguous portions of the said parish or parochial chapelry of Church Gresley, of the said parish or parochial chapelry of Measham, of the said parish of Seal, of the said parish of Stretton-en-le-Field, and of the said parish of Ashby-de-la-Zouch should be formed into a consolidated chapelry for all ecclesiastical purposes, and that the same should be assigned to the said church of Saint John, situate in the hamlet of Donisthorpe as aforesaid :

"And whereas the major part in number of the patrons of the respective parishes or parochial chapelries out of which such consolidated chapelry is proposed to be formed as aforesaid by virtue of the herein-before mentioned Acts, concur as to the formation of such consolidated chapelry, and as to the person to whom the right of patronage of the church of such consolidated chapelry shall belong :

"Now, therefore, with the consents of the Right Reverend George Augustus, Bishop of the said diocese of Lichfield, and of the Right Reverend William Connor, Bishop of the said diocese of Peterborough (in testimony whereof they the said Bishops have respectively signed and sealed this representation), and with the consent of Charles Frederick Abney Hastings, of Donnington Park, in the said county of Derby, Esquire, the patron of the perpetual curacy of the said parish or parochial chapelry of Measham, and of the vicarage of the said parish of Ashby-de-la-Zouch, with the consent of Sir Mylles Cave-Browne Cave, of Stretton-en-le-field, Baronet, the patron of the rectory of the said parish of Stretton-en-le-field, and with the consent of the Reverend George Lloyd, of Church Gresley, Clerk, the patron of the perpetual curacy of the said parish or parochial chapelry of Church Gresley, being the major part in number of the patrons of the respective parishes or parochial chapelries aforesaid (in testimony of which consent they the said lastly mentioned consenting parties have also respectively signed and sealed this representation), we, the said Ecclesiastical Commissioners, humbly represent, that it would in our opinion be expedient, that all those contiguous portions of the said parishes or parochial chapelries of Church Gresley, and of Measham, and of the said parishes of Seal, of Stretton-en-le-field, and of Ashby-de-la-Zouch, which

said portions are described in the schedule hereunder written, and together with the boundaries thereof are delineated and set forth on the map or plan hereunto annexed, should be united and formed into one consolidated chapelry for the said church of Saint John, situate in the hamlet of Donisthorpe as aforesaid, and that the same should be named 'The Consolidated Chapelry of Saint John, Donisthorpe,' and that the right of presentation and appointment to the church of such consolidated chapelry should belong to and be exercised by the bishop for the time being of the said diocese of Lichfield.

"We, therefore, humbly pray that Your Majesty will be graciously pleased to take the premises into Your Royal consideration, and to make such Order in respect thereto as to Your Majesty, in Your Royal wisdom, shall seem meet.

"The SCHEDULE to which the foregoing Representation has reference.

"The Consolidated Chapelry of Saint John, Donisthorpe, being,

"All those several portions of the parish or parochial chapelry of Church Gresley, in the county of Derby and in the diocese of Lichfield, of the parish or parochial chapelry of Measham, in the same county and diocese, and of the parish of Seal, in the county of Leicester and diocese of Peterborough, which together constitute the hamlet of Donisthorpe, and also all those several portions of the said parish or parochial chapelry of Church Gresley, and of the parish of Stretton-en-le-field, in the said county of Derby and in the diocese of Lichfield aforesaid, which together form part of the hamlet of Oakthorpe, and also all that portion of the parish of Ashby-de-la-Zouch, in the said county of Leicester and in the diocese of Peterborough aforesaid, all which said hamlet of Donisthorpe, said part of the hamlet of Oakthorpe, and said portion of the parish of Ashby-de-la-Zouch are contiguous, and are comprised within, and are bounded by, an imaginary line commencing upon the boundary which divides the township of Nether and Over Seal, in the said parish of Seal, from the hamlet of Donisthorpe aforesaid, at a point in the centre of Acresford Bridge, which carries the turnpike road leading from Over Seal to Measham, over the brook flowing from Barratt Pool into the River Mease; and extending thence south-westward along the course of the said brook (thereby following the boundary which divides the said township of Nether and Over Seal from the hamlet of Donisthorpe aforesaid), to the junction of the same brook with the River Mease aforesaid; and extending thence south-eastward, for the most part along the course of the same river (thereby following the boundary which divides the said hamlet of Donisthorpe from the township or chapelry of Chilcote, in the parish of Clifton Campville, in the said county of Derby and in the diocese of Lichfield aforesaid, and from the said parish of Stretton-en-le-field) to the point where the said river is joined by the Oakthorpe Brook; and extending thence north-eastward up the course of the last-described stream (thereby following the boundary which divides the said hamlet of Oak-

from the township of Nether and Over Seal as aforesaid; and extending thence south-westward, along the last-described boundary, to the first-described point in the centre of Acresford Bridge aforesaid, where the said imaginary line commenced."

And whereas the said representation has been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said representation, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the several Registrars of the said dioceses of Lichfield and of Peterborough respectively.

For authorizing the Sale and Disposal of certain Property formerly belonging to the Bishoprick of London.

Gazetted 8th October 1869.

At the Court at Balmoral, the 7th day of October 1869.

PRESENT:

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the sixth and seventh years of Her Majesty, chapter thirty-seven; and of another Act of the twenty-third and twenty-fourth years of Her Majesty, chapter one hundred and twenty-four, duly prepared and laid before Her Majesty in Council a scheme, bearing date the fifth day of August, in the year one thousand eight hundred and sixty-nine, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act of the sixth and seventh years of Your Majesty, chapter thirty-seven, sections six and eight; and of another Act of the twenty-third and twenty-fourth years of Your Majesty, chapter one hundred and twenty-four, sections two, three, and twenty-four, have prepared, and now humbly lay before Your Majesty in Council, the following scheme for authorizing the sale and disposal of certain property formerly belonging to the bishopric of London, and now vested in us.

"Whereas on the vacancy of the said bishopric, which occurred on or about the thirtieth day of December, in the year one thousand eight hundred and sixty-eight, by the translation of the

Right Honourable and Right Reverend Archibald Campbell, the then Bishop of London, to the archiepiscopal see of Canterbury, all the lands, tithes, hereditaments, and endowments then belonging to the said bishopric (except rights of patronage and the episcopal houses of residence, situate at Fulham and in Saint James's Square, in the county of Middlesex) became absolutely vested in us, for the purposes and subject to the provisions applicable to other hereditaments vested in us.

"And whereas the lands, tithes, hereditaments, and endowments aforesaid consist to a considerable extent of reversions expectant upon grants and leases for lives and years, and produce during the subsistence of such grants and leases only small annual revenues, and on that account, and in some instances on account of the character or situation of the property, are unsuitable or inconvenient to be assigned as an endowment for the said bishopric, or to be held or applied for the other purposes, for which estates vested in us are applicable under the Acts by which our proceedings are governed:

"And whereas by the last-mentioned Act power is given to lessees holding under us, in the event of our declining to enter into a treaty for the sale of our reversions, or for the purchase of the leasehold interests, to require us to purchase such leasehold interests at a valuation:

"And whereas it is expedient that such of the aforesaid lands, tithes, hereditaments, and endowments lately belonging to the see of London (either with or without other property vested in us, as the case may require), as in the judgment of our Estates Committee, and subject to the approbation of the Bishop for the time being, shall be deemed convenient to be held as an endowment for the said see, and as will secure a net annual income of ten thousand pounds, being the income named for the Bishop of London and his successors by the Order made by Your Majesty in Council on the twenty-fifth day of August, one thousand eight hundred and fifty-one, which Order was duly published in the London Gazette on the nineteenth day of September following, should be assigned as the endowment of the said see, and that for that purpose, as well as with a view to the more advantageous appropriation of the remainder of the said lands, tithes, hereditaments, and endowments, or of the proceeds thereof, for the ultimate improvement of our Common Fund, we should be empowered to dispose of our interest therein, or in any part or parts thereof, and in such manner as shall appear to us advisable:

"Now, therefore, we humbly recommend and propose, that we may be authorized and empowered by instrument or instruments in writing duly executed according to law, from time to time to sell or dispose of, and duly to convey, according to the provisions of the said Act of the sixth and seventh years of Your Majesty's reign, with the consent of the respective holders (if any), to be testified by their being made parties to such instruments, all or any of the said lands, tithes, hereditaments, and endowments heretofore belonging to the said bishopric of London, and so vested in us by the vacation of the said bishopric, with their

appurtenances, and all our estate, right, title, and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his, her, or their heirs, executors, administrators, or assigns, or otherwise, as he, she, or they shall direct or appoint, and for such consideration as shall, upon due calculation and inquiry, appear to us to be just and reasonable, it being our intention to invest the proceeds thereof from time to time, as occasion may arise, in the purchase of other lands, tithes, rentcharges, tenements, or hereditaments, or of some estate or interest therein, convenient to be assigned as the endowment for the said see, or to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid, and in the meantime to invest the said proceeds in some Government or Parliamentary Stock, or other public securities in England.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of London.

" We, the Ecclesiastical Commissioners for England, in pursuance of an Act of the sixth and seventh years of Your Majesty, chapter thirty-seven, have prepared, and now humbly lay before Your Majesty in Council, the following scheme for authorizing the sale and disposal of certain property now vested in us, in the parish of Eccleshall, in the county of Stafford.

" Whereas under and by virtue of a certain indenture made under the provisions of an Order of Your Majesty in Council, dated the fourteenth day of May, one thousand eight hundred and sixty-eight, and published in the London Gazette of the fifteenth day of the same month, the said indenture bearing date the nineteenth day of June, in the year one thousand eight hundred and sixty-eight, and being made between the Right Reverend Father in God George Augustus Lord Bishop of Lichfield of the one part, and us, the Ecclesiastical Commissioners for England, of the other part, the episcopal residence at Eccleshall, in the county of Stafford, with its appurtenances, and all the estate, right, title, and interest therein of the said Lord Bishop, became and are now vested in us, in fee simple, for the purposes and subject to the provisions applicable to other hereditaments vested in us :

" And whereas the said house, with its appurtenances, is now in our possession, but the same is, on account of its character and situation, unsuitable and inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed :

" And whereas, with a view to the advantageous appropriation of the said house and its appurtenances or of the proceeds thereof for the ultimate improvement of our Common Fund, it is expedient that the same should be sold or disposed of, and accordingly that we should be empowered to sell or dispose of our interest in the same in such manner as shall appear to us advisable :

" Now, therefore, we humbly recommend and propose that we may be authorized and empowered, by instrument or instruments in writing, duly executed according to law, from time to time to sell or dispose of, and duly to convey, according to the provisions of the said Act, the said house so vested in us as aforesaid, with its appurtenances, and all our estate, right, title, and interest therein, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs, executors, administrators, or assigns, or otherwise as he or they shall direct or appoint, and for such consideration as shall, upon due calculation and inquiry, appear to us to be just and reasonable, it being our intention to invest the proceeds of such sale from time to time, as occasion may arise, in the purchase of other lands, tithes, rentcharges, tenements, or hereditaments, or of some estate or interest therein, convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid, and in the meantime to invest the said

proceeds in some Government or Parliamentary stock, or other public securities in England.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Lichfield.

Relating to the Endowment of the See of Peterborough.

Gazetted 8th October 1869.

At the Court at Balmoral, the 7th day of October 1869.

PRESENT:

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the twenty-third and twenty-fourth years of Her Majesty's reign, chapter one hundred and twenty-four, duly prepared and laid before Her Majesty in Council a

a scheme, bearing date the fifth day of August, in the year one thousand eight hundred and sixty-nine, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the twenty-third and twenty-fourth years of Your Majesty's reign, chapter one hundred and twenty-four, sections three, five, and seven, have prepared, and now humbly lay before Your Majesty, the following scheme relating to the endowment of the see of Peterborough.

"Whereas by the said Act it is enacted that on the avoidance from time to time of any see, after the assignment of an endowment for the same, our Estates Committee may, if they shall think fit, revise the arrangement in force in relation to such endowment, and for that purpose inquire into the state and productiveness of such endowment, and if such endowment, in the judgment of the Committee, will secure a net annual income exceeding that named for the archbishop or bishop as aforesaid, or will not secure the full amount of such annual income, such Committee may report thereon to us, and that we shall, if we think fit, make an arrangement, by vesting part of the lands and hereditaments constituting such endowment in us, or by assigning lands and hereditaments by way of addition to such endowment, or by means of annual or other payments to or by us as the case may require, which may secure, in the judgment of the said Committee, to the archbishop or bishop who may succeed upon that avoidance, the net annual income named for the archbishop or bishop of such see by any Act of Parliament or Order in Council then in force, or as near thereto as circumstances will allow; provided always, that if a difference of opinion as to the value or sufficiency of the estates which such Committe may propose to leave or to assign to any see shall arise between the archbishop or bishop thereof and the said Committee, such difference shall be settled by arbitration, before such arrangement as is last mentioned shall be made:

"And whereas by an Order of Your Majesty in Council, made under the provisions of the said Act, bearing date the first day of November, one thousand eight hundred and sixty-two, and duly published in the London Gazette on the fourth day of the same month, certain lands and hereditaments were assigned as the endowment of the see of Peterborough:

"And whereas the Right Reverend William Connor, the present Bishop of Peterborough, succeeded to the said see on an avoidance thereof, which occurred on or about the twentieth day of August, one thousand eight hundred and sixty-eight:

"And whereas at the date of such avoidance the endowment of the said see consisted of the lands, stock, and hereditaments set forth in the Schedule marked A annexed to this scheme:

"And whereas our Estates Committee have upon such avoidance revised the arrangement in force in relation to the endowment thereof, and for that purpose have inquired into the

state and productiveness of such endowment, and have reported to us that such endowment will in their judgment secure a net annual income exceeding that named for the bishop of the said see by the herein-before recited Order of Your Majesty in Council, being the Order now in force in relation to such income, videlicet, four thousand and five hundred pounds per annum, and that the arrangement embodied in the recommendations hereinafter contained will secure in their judgment to the said bishop a net annual income of four thousand and five hundred pounds, or as near thereto as circumstances will allow :

"And whereas the land particularly described in the Schedule marked B annexed to this scheme, is vested in us for an estate of fee simple in possession :

"And whereas no difference of opinion has arisen between the said Bishop and the said Committee as to the fact that the estates which the said Committee propose should be left and assigned respectively to the said see are sufficient (after a certain expenpenditure shall have been made in improving the same as is herein-after mentioned) to produce the net average annual income of four thousand and five hundred pounds, and no more :

"Now, therefore, with the consent of the Right Reverend William Connor, Bishop of Peterborough (in testimony whereof he has signed and sealed this scheme), we humbly recommend and propose, with a view to securing to the said bishop the said net annual income of four thousand and five hundred pounds, that upon the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme, and without any conveyance or assurance in the law other than such duly published Order, the lands, stock, and hereditaments particularly described in the second part of the Schedule marked A annexed to this scheme, estimated to produce the net average annual income of two hundred and eleven pounds, or thereabouts, with their appurtenances, and all the right, title, estate, and interest therein of the said Bishop of Peterborough and his successors, shall be and become transferred to and vested in us and our successors, and that we shall be entitled to the rents, profits, and proceeds of the same, as from the herein-before mentioned date of avoidance of the said see.

"And we also recommend and propose, with a view to the securing of such net annual income as aforesaid, that upon such publication as aforesaid of any Order of Your Majesty in Council ratifying this scheme, and without any further conveyance or assurance in the law other than such duly published Order, the land particularly described in the Schedule marked B annexed to this scheme, estimated to produce the net average annual income of two pounds, with its appurtenances, and all our right, title, and interest therein, shall be and become vested in the said Bishop of Peterborough and his successors, and that the said bishop shall be entitled to the rents, profits, and proceeds thereof as from the herein-before mentioned date of avoidance of the said see.

"And we further recommend and propose that we shall forthwith provide a sum of one thousand three hundred and ten pounds, to be expended to our satisfaction by the Bishop of Peterborough in the erection of cottages and farm buildings, or in the improvement of the same, on the lands which by this scheme are proposed and recommended to be the endowment of the said see, such expenditure being necessary in order to render the same lands suitable for producing permanently a net average annual income of four thousand and five hundred pounds as aforesaid.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the thirty-first and thirty-second years of Her Majesty, chapter one hundred and forty-six, duly prepared and laid before Her Majesty in Council a scheme or

representation, bearing date the twenty-ninth day of July, in the year one thousand eight hundred and sixty-nine, in the words following ; that is to say :—

" We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the thirty-first and thirty-second years of Your Majesty, chapter one hundred and forty-six, have prepared, and now humbly lay before Your Majesty in Council, the following scheme or representation as to the assignment of a separate district for spiritual purposes to the consecrated church or chapel of Saint Leonard, situate within the town and reputed parish of Saint Leonard, in the county of Sussex and in the diocese of Chichester.

No. 2,304.

Relating to the Dean and Chapter of the Cathedral Church of Ely.

Gazetted 8th October 1869.

At the Court at Balmoral, the 7th day of October 1869.

PRESENT :

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the "Ecclesiastical Commission Act, 1868," duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-ninth day of July, in the year one thousand eight hundred and sixty-nine, in the words and figures following ; that is to say :

"We, the Ecclesiastical Commissioners for England, in pursuance of 'The Ecclesiastical Commission Act, 1868,' sections three and four, have prepared, and now humbly lay before Your Majesty in Council, the following scheme relating to the Dean and Chapter of the cathedral church of the Holy and Undivided Trinity in Ely.

"Whereas the said chapter now consists of a dean and six canons, two canonries having been suspended under the provisions of an Act passed in the session held in the third and fourth years of Your Majesty's reign, intituled 'An Act to carry into effect, with certain modifications, the fourth Report of the Commissioners of Ecclesiastical Duties and Revenues.'

"And whereas the said dean and chapter have agreed with us that a scheme should be laid before Your Majesty in Council for carrying into effect a transfer to us of part of the property belonging to them, for the considerations and upon the terms herein-after set forth, which terms are in our opinion fair and reasonable, and the said dean and chapter have further agreed with us that such scheme should also comprise the incidental provisions herein-after set forth, such provisions being necessary for carrying into effect the said transfer.

"And whereas the lands and hereditaments particularly described in the schedule hereunto annexed, marked A, are vested in us in fee simple in possession, and the lands, tenements, hereditaments, and sums of stock particularly described in the schedule hereunto annexed, marked B, are part of the property of the said dean and chapter.

"Now, therefore, with the consent of the Dean and Chapter of the cathedral church of the Holy and Undivided Trinity in

Ely, and of the Right Reverend Edward Harold, Bishop of Ely, as visitor of the said dean and chapter (testified by their having hereunto affixed their respective corporate seals), we humbly recommend and propose, that all the property which now belongs to the said dean and chapter (excepting any ecclesiastical, educational, or other like patronage, the cathedral church and the residences, buildings, gardens, and enclosures, forming the cathedral precincts and otherwise known as the parish of Ely College, and also excepting the lands, tithes, tenements, hereditaments, and sums of stock particularly described in the schedule hereunto annexed marked B, and the property held by the said dean and chapter for the benefit of the lay clerks of the cathedral church, or in trust for special or charitable purposes), shall, together with the benefit of the perpetual land tax charged thereupon, which has been redeemed, upon and from the day on which any Order of Your Majesty in Council ratifying this scheme shall be duly published in the London Gazette, be transferred to us in the manner contemplated by the said first-mentioned Act, and that we shall be entitled to the rents, profits, and proceeds of the property so to be transferred to us as from the twenty-fifth day of March one thousand eight hundred and sixty-nine, and that in consideration of and for such transfer, the lands, tithes, tenements, and hereditaments particularly set forth in the schedule hereunto annexed marked A, together with the benefit of the perpetual land tax charged thereon, which has been redeemed, shall upon and from the day on which any Order of Your Majesty in Council ratifying this scheme shall be published in the London Gazette, be transferred to the said dean and chapter in manner contemplated by the said first-mentioned Act, and that they the said dean and chapter shall be entitled to the rents, profits, and proceeds thereof as from the said twenty-fifth day of March one thousand eight hundred and sixty-nine, and that in further consideration of and for such transfer to us as aforesaid, we shall surrender all right, and be excluded from all participation in respect of the said suspended canonries to and in the estates and property to be retained by the said dean and chapter, or to be by any Order of Your Majesty in Council ratifying this scheme, or by any other Order made under the said first-mentioned Act, transferred to them as part of their permanent endowment, and in the rents and profits thereof, and in the money payments herein-after mentioned, and that in further consideration of and for such transfer to us as aforesaid, there shall be paid by us by equal half-yearly payments on the twenty-fifth day of March and the twenty-ninth day of September in every year to the said dean and chapter, the annual sum of five thousand and two hundred pounds, and that the payment of such annual sum shall continue until the said dean and chapter shall have been, under the authority provided by the said first-mentioned Act, put into possession in fee simple of real estates (of which not more than one half part shall consist of tithe rentcharges), sufficient to secure to the said dean and chapter, in addition to the income

which the said dean and chapter will derive from the property proposed by this scheme to be transferred to and to be retained by them, a clear annual income therefrom, after deducting rates, taxes, the cost of agency and other outgoings, amounting to the said annual sum of five thousand and two hundred pounds.

"And we further recommend and propose, that there shall also be paid by us by equal half-yearly payments to the said dean and chapter, on the twenty-fifth day of March and the twenty-ninth day of September in every year, until they shall have been put into possession of such real estates as aforesaid, a sum of one hundred pounds (such last-mentioned sum to be by them appropriated and paid to their chapter clerk in respect of the profits which would have accrued to him on account of the management of the estates hereby proposed to be transferred to us), and that the first-half yearly payment in respect of each of the herein-before mentioned annual sums of five thousand and two hundred pounds and one hundred pounds shall be made on the twenty-ninth day of September one thousand eight hundred and sixty-nine:

"And we further recommend and propose that, as the consideration for the loss which the said dean and chapter have incurred by having abstained from renewing certain leases of the said lands tenements, and hereditaments, hereby proposed to be transferred to us which became renewable prior to the said twenty-fifth day of March one thousand eight hundred and sixty-nine, there shall be paid by us to the said dean and chapter, immediately upon the publication as aforesaid of any Order of Your Majesty in Council ratifying this scheme, a sum of six thousand pounds, and that the receipt or receipts of the treasurer for the time being of the said dean and chapter shall be a good and valid discharge to us for all or any and every such sum or sums of money as shall therein be expressed to have been paid to him by us under the authority of this scheme when ratified as aforesaid:

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the matters aforesaid, in conformity with the provisions of the said Act or of any other Act of Parliament.

No. 2,305.

For making better provision for the Cure of Souls within the new Parish of Ugthorpe, in the County and Diocese of York.

Gazetted 8th October 1869.

At the Court at Balmoral, the 7th day of October 1869.

PRESENT:

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, and of the Act of the seventeenth and eighteenth years of Her Majesty, chapter eighty-four, duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-ninth day of July, in the year one thousand eight hundred and sixty-nine, in the words following: that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of Your Majesty, chapter one hundred and thirteen, and of the Act of the seven-

teenth and eighteenth years of Your Majesty, chapter eighty-four, have prepared, and now humbly lay before Your Majesty in Council, the following scheme for making better provision for the cure of souls within the new parish of Ugthorpe, in the county and diocese of York.

"Whereas the Right Honourable and most Reverend William, Archbishop of York, is in right of his see the patron both of the vicarage of Lythe, in the said county and diocese, and of the vicarage of Ugthorpe aforesaid :

And whereas the said vicarage of Ugthorpe is at present ill endowed, and the said vicarage of Lythe is or will be competently endowed independently of the lands and hereditaments herein-after particularly mentioned, and it has been represented to us, and we are of opinion, that additional provision should be made for the cure of souls within the said new parish of Ugthorpe by means of the apportionment of the endowment of the said vicarage of Lythe, which is herein-after recommended and proposed :

"And whereas part of the endowment of the said vicarage of Lythe consists of a certain messuage, lands, buildings, and hereditaments, situate at Ugthorpe aforesaid, which said messuage and premises are more particularly described in the schedule hereto annexed, the same having been secured as such endowment by and under the provisions of a deed poll, bearing date the twenty-third day of November one thousand eight hundred and sixty, which conveyed the premises to the Governors of the Bounty of Queen Anne for the augmentation and maintenance of the Poor Clergy, for the benefit of the vicarage of Lythe aforesaid :

"And whereas we have agreed, so soon as the said apportionment of endowment shall have been effected, as herein-after recommended, to secure to the said vicarage of Lythe, out of our Common Fund in the said firstly mentioned Act named, an equivalent yearly sum or stipend, in lieu of the said messuage, lands, buildings, and hereditaments, with their appurtenances :

"Now, therefore, with the consent of the said Right Honourable and most Reverend William, Archbishop of York, and also with the consent of the Reverend Henry Richard Storr Pearson, clerk, the Vicar or Incumbent of the said vicarage of Lythe, in testimony whereof they have respectively signed and sealed this scheme, we humbly recommend and propose that, upon and from the day of the publication in the London Gazette of an Order of Your Majesty in Council ratifying this scheme, the said messuage, lands, buildings, and hereditaments, with their appurtenances, which are described in the said schedule hereunto annexed as aforesaid, shall be transferred to and become absolutely vested in the Vicar or Incumbent for the time being of the said vicarage of Ugthorpe.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts or of any other Act of Parliament.

"SCHEDULE.

"All that messuage, tenement, or dwelling-house, commonly called Ewe House, with the outbuildings, garth, and orchard thereto adjoining, containing together by admeasurement three roods and twenty-three perches, be the same more or less.

"And also all those several closes, pieces, or parcels of land, lying contiguous to the said messuage, tenement, or dwelling-house, commonly called respectively by the several names, and containing by admeasurement the several quantities following, be the same or any or either of them more or less, that is to say, Back Garth, containing one rood and three perches, High Field, containing four acres three roods and thirty-one perches, Hay Pike Field, containing two acres two roods and thirty-four perches, Little Field, containing one acre three roods and four perches, Horse Pasture, containing one acre one rood and eight perches, High House Field, containing three acres one rood and twenty-eight perches, Stone Stoup Bank, containing three acres and one rood, High House Garth, with the building thereon, containing two roods and twenty-three perches, Jackson's High Field, containing one acre three roods and seven perches, Jackson's Bank, containing three acres two roods and thirty-two perches, Low Calf Close, containing four acres two roods and twenty-six perches, Lays, containing two acres one rood and six perches, Lee Close House Field, containing three acres three roods and sixteen perches, Woodfield, containing one acre three roods and twenty perches, High Calf Close, containing three acres one rood and thirty-one perches, Holdfield, containing two acres two roods and thirty-five perches, Long Field, containing two acres two roods and thirty-six perches, and the Far Field, containing three acres three roods and thirty-two perches, or by whatsoever names or name the said several fields, or either of them, are or have been commonly called, known, or described, all which said messuage, tenement, or dwelling-house, outbuildings, garth, and orchard, closes, pieces, or parcels of land, and hereditaments with their appurtenances herein-before described, are situate at Ugthorpe, within the parish of Lythe, in the North Riding of the county of York."

And whereas the said scheme has been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of York.

ARTHUR HELPS.

No. 2,306.

For constituting the District of All Saints, Woodlesford, out of the Parish of Rothwell, in the County of York and Diocese of Ripon.

Gazetted 8th October 1869.

At the Court at Balmoral, the 7th day of October 1869.

PRESENT :

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen; of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven ; and of the Act of the nineteenth and twentieth years of Her Majesty, chapter one hundred and four, duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-ninth day of July, in the year one thousand eight hundred and sixty-nine, in the words following ; that is to say :

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of Your Majesty, chapter one hundred and thirteen ; of the Act of the sixth and seventh years of Your Majesty, chapter thirty-seven ; and of the Act of the nineteenth and twentieth years of Your Majesty, chapter one hundred and four, have prepared, and now humbly lay before Your Majesty in Council, the following scheme for constituting a separate district for spiritual purposes out of the parish of Rothwell, in the county of York and in the diocese of Ripon.

"Whereas it has been made to appear to us that it would promote the interests of religion that the particular part of the said parish of Rothwell which is herein-after mentioned and described (such part not at present containing within its limits any consecrated church or chapel in use for the purposes of divine worship) should be constituted a separate district in the manner herein-after recommended and set forth :

"And whereas Joseph Crompton Oddie, of Woodlesford, in the said parish of Rothwell, esquire, has contributed and paid to the credit of our account at the Bank of England, the sum of three thousand pounds sterling in aid of the endowment of the district herein-after recommended to be constituted, and of the maintenance of the incumbent thereof for the time being, and we have in respect of such sum agreed with the said Joseph Crompton Oddie, and have undertaken to provide, and pay by equal half-yearly payments, on the first day of May and the first day of November in each and every year, to such incumbent as afore-

said, when duly licensed, in accordance with the provisions of the herein secondly mentioned Act, and to his successors, the yearly sum of one hundred pounds :

"And whereas the said sum of three thousand pounds sterling has been so contributed and paid by the said Joseph Crompton Oddie as aforesaid, upon the understanding and condition that we should recommend and propose to Your Majesty in Council, that the whole right of patronage of the said district, and of the nomination of the incumbent thereof, should be assigned in the manner herein-after mentioned :

"And whereas we have also determined to make and pay out of the Common Fund created by the firstly herein-mentioned Act, to the incumbent for the time being of the said district herein-after recommended to be constituted, when duly licensed as aforesaid, the yearly sum of fifty pounds, the payment whereof will be secured by an instrument to be executed by us under our common seal, in accordance with the provisions of the Act of the twenty-ninth and thirtieth years of Your Majesty, chapter one hundred and eleven :

"Now, therefore, with the consent of the Right Reverend Robert, Bishop of the said diocese of Ripon (in testimony whereof he has signed and sealed this scheme), we, the said Ecclesiastical Commissioners, humbly recommend and propose, that all that part of the said parish of Rothwell which is described in the schedule hereunder written, all which part, together with the boundaries thereof, is delineated and set forth on the map or plan hereunto annexed, shall, upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme, become and be constituted a separate district for spiritual purposes, and that the same shall be named 'The District of All Saints, Woodlesford.'

"And we further recommend and propose, that the whole right of patronage of the said district, so recommended to be constituted, and of the nomination of the Incumbent thereof, shall, without any assurance in the law other than this scheme, and any duly gazetted Order of Your Majesty in Council ratifying the same, and upon and from the day of the date of the publication of such Order in the London Gazette as aforesaid, be assigned to and be vested in the Reverend John Bell, now Vicar or Incumbent of the vicarage of the said parish of Rothwell, for and during his life, and that after the death of the said John Bell the said right of patronage and nomination shall be assigned to and be vested in, and shall and may from time to time be exercised jointly by, the said Joseph Crompton Oddie, Sir Charles Hugh Lowther, of Swillington House, in the said county of York, Baronet, Henry Bentley, of Eshald House, Woodlesford aforesaid, Esquire, John Towlerton Leather, of Leaventhorpe Hall, in the said county of York, Esquire, and Richard Harrison, of Woodlesford aforesaid, Esquire, their heirs and assigns for ever.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any

other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts or of either of them, or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme has reference.

"The District of All Saints, Woodlesford, being :—

"All that part of the parish of Rothwell, in the county of York and in the diocese of Ripon, wherein the present Incumbent of such parish now possesses the exclusive cure of souls, which is bounded on the north-east by the parish of Swillington, on the north partly by the parish of Whitkirk, and partly by the new parish of Saint Saviour, Leeds, on the north-west by the new parish of Saint Mary, Hunslet (all which parishes and new parishes are in the county and diocese aforesaid), and on the remaining sides, that is to say, on the south-west and on the south, partly by the chapelry district of Middleton, some time part of the said parish of Rothwell, and partly by an imaginary line commencing upon the boundary which divides the said chapelry district of Middleton from the parish of Rothwell aforesaid, at the point on the south-western side of the Barnsdale and Leeds trust road, near the third mile stone from Leeds, at which point the same road passes over a certain tramway which leads from Rothwell Haigh Colliery to the Aire and Calder Canal; and extending thence, first north-eastward to, and then south-eastward, for a distance of one mile and a half or thereabouts, along the middle of the said trust road, to the point where the same road is crossed by the boundary which divides the township of Rothwell, in the said parish of Rothwell, from the township of Oulton-cum-Woodlesford in the same parish; and extending thence, first northward, then south-eastward, and then again northward, along the said township boundary, to its junction with the boundary dividing the hamlet of Oulton, in the said township of Oulton-cum-Woodlesford, from the hamlet of Woodlesford in the same township; and extending thence, generally eastward, along the said hamlet boundary, thereby crossing the main line of the Midland Railway, and also crossing the Aire and Calder Canal aforesaid, to the boundary in the middle of the River Aire, which divides the said parish of Rothwell from the parish of Swillington aforesaid."

And whereas a draft of the said scheme has, in accordance with the provisions of the herein-before secondly mentioned Act, been transmitted to the patron and to the Incumbent of the parish out of which it is intended that the district therein recommended to be constituted shall be taken, and such patron and Incumbent have respectively signified their assent to the said scheme:

"Whereas it has been made to appear to us that it would promote the interests of religion, that the particular part of the said ecclesiastical district of Saint Martin-in-the-Fields, Liverpool, which is herein-after mentioned and described (such part not at present containing within its limits any consecrated church or chapel in use for the purposes of divine worship) should be constituted a separate district in the manner herein-after recommended and set forth:

"And whereas the Reverend Charles Parnell, of Liverpool, Clerk, has contributed and paid to the credit of our account at the Bank of England the sum of three thousand pounds sterling, in aid of the endowment of the district herein-after recommended to be constituted, and of the maintenance of the Incumbent thereof for the time being, and we have, in respect of such sum, agreed with the said Charles Parnell, and have undertaken to provide and pay, by equal half-yearly payments on the first day of May and the first day of November in each and every year, to such Incumbent as aforesaid, when duly licensed in accordance with the provisions of the herein secondly mentioned Act, and to his successors, the yearly sum of one hundred pounds:

"And whereas the said sum of three thousand pounds sterling has been so contributed and paid as aforesaid, upon the understanding and condition that (such arrangement appearing to us to be expedient) the whole right of patronage of the said district, and of the nomination of the Incumbent thereof, should be assigned in the manner herein-after recommended and proposed:

"And whereas we have also determined to make and pay, out of the Common Fund created by the firstly herein-mentioned Act, to the Incumbent for the time being of the said district herein-after recommended to be constituted, when and so soon as a church shall have been provided within and for such district, and shall have been approved by us, and consecrated as the church of the same district (which will then and thereby have become a new parish), a grant of such amount, not exceeding two hundred pounds per annum, as will be sufficient to raise to three hundred pounds per annum the total income from endowment of such new parish; and such lastly-mentioned grant will be made and secured

by an instrument to be executed by us under our common seal, in accordance with the provisions of the Act of the twenty-ninth and thirtieth years of Your Majesty, chapter one hundred and eleven:

"Now, therefore, with the consent of the Right Reverend William, Bishop of the said diocese of Chester (in testimony whereof he has signed and sealed this scheme), we humbly recommend and propose, that all that part of the said ecclesiastical district of Saint Martin-in-the-Fields, Liverpool, which is described in the schedule hereunder written, all which part, together with the boundaries thereof, is delineated and set forth on the map or plan hereunto annexed, shall, upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme, become and be constituted a separate district for spiritual purposes, and that the same shall be named 'The District of Saint James the Less, Liverpool.'

No. 2,317.

For authorizing the Sale and Disposal of certain Property formerly belonging to the Rectory of Bishopwearmouth, in the County and Diocese of Durham.

Gazetted 8th October 1869.

At the Court at Balmoral, the 7th day of October 1869.

PRESENT:

The Queen's most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, sections six and eight, duly prepared and laid before Her Majesty in Council a scheme, bearing date the fifth day of August, in the year one thousand eight hundred and sixty-nine, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act of the sixth and seventh years of Your Majesty, chapter thirty-seven, sections six and eight, have prepared, and now humbly lay before Your Majesty in Council, the following scheme for authorizing the sale and disposal of certain property formerly belonging to the rectory of Bishopwearmouth, in the county and diocese of Durham, and now vested in us.

"Whereas under and by virtue of an agreement, bearing date the eighteenth day of July, one thousand eight hundred and sixty-seven, and made under the provisions of 'The Bishopwearmouth Rectory Act, 1867,' between us, the Ecclesiastical Commissioners for England, of the first part, and the Reverend William Cockin, of Bishopwearmouth, in the county of Durham, Clerk, Rector of the said rectory of Bishopwearmouth, of the other part, which agreement was registered in the registry of the said diocese of Durham, in conformity with the provisions of the said Act, and was duly published in the London Gazette on the

ninth day of August, one thousand eight hundred and sixty-seven, the glebe lands, tithes, tithe rentcharges, mines, minerals, messuages, tenements, and hereditaments, of or belonging to the said rectory (including the rector's park, and the manor known as the Bishopwearmouth Rectory Manor, and including certain rents, profits, and proceeds of wayleaves, staiths, and coal, but excepting the parsonage house and the grounds then occupied by the said rector, and excepting also the parish church of Bishopwearmouth, with its appurtenances), became vested in us for the purposes and subject to the provisions applicable to other hereditaments vested in us, freed and discharged from the rights, claims, and demands of the respective successors of the incumbents or ministers referred to in the said Act:

"And whereas the glebe lands and premises aforesaid are now in our possession, but some portions thereof, on account of their character or situation, and particularly on account of the value for building purposes of portions of the said lands, are unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable, under the Acts by which our proceedings are governed:

"And whereas, with a view to the advantageous appropriation of the glebe lands and premises aforesaid, or of the proceeds thereof, for the ultimate improvement of our Common Fund, it is expedient that the said glebe lands and premises, or such part or parts thereof as we shall at any time and from time to time think fit, should be sold or disposed of, and accordingly that we should be empowered to sell or dispose of our interest in the same, or in any part or parts thereof, in such manner as shall appear to us advisable:

"Now, therefore, we humbly recommend and propose, that we may be authorized and empowered, by instrument or instruments in writing duly executed according to law, from time to time to sell or dispose of, and duly to convey, according to the provisions of the said Act of the sixth and seventh years of Your Majesty's reign, all or any of the said glebe lands and premises formerly belonging to the said rectory and so vested in us as aforesaid, with their appurtenances, and all our estate, right, title, and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs, executors, administrators, or assigns, or otherwise as he or they shall direct or appoint, and for such consideration as shall, upon due calculation and inquiry, appear to us to be just and reasonable, it being our intention to invest the proceeds thereof from time to time, as occasion may arise, in the purchase of other lands, tithes, rentcharges, tenements, or hereditaments, or of some estate or interest therein, convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid, and in the meantime to invest the said proceeds in some Government or Parliamentary Stock, or other public securities in England:

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing

any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Durham.

NINETEENTH REPORT

FROM THE

CHURCH ESTATES COMMISSIONERS.

10, Whitehall Place,
SIR, 1st March 1870.

WE, the Church Estates Commissioners, have the honour to make our Annual Report of our proceedings under the Act passed in the fourteenth and fifteenth years of Her Majesty, chapter one hundred and four, intituled "An Act to facilitate the Management and Improvement of "Episcopal and Capitular Estates in England," and under the Act passed in the seventeenth and eighteenth years of Her Majesty, chapter one hundred and sixteen, intituled "An Act to continue and amend an Act to facilitate the "Management and Improvement of Episcopal and Capi- "tular Estates in England," and under the Act passed in the twenty-second and twenty-third years of Her Majesty, chapter forty-six, intituled "An Act to continue and amend "the Act concerning the Management of Episcopal and "Capitular Estates in England," and under the Act passed in the twenty-third and twenty-fourth years of Her Majesty, chapter one hundred and twenty-four, intituled "An Act further to amend the Acts relating to the Eccle- "siastical Commissioners and the Act concerning the "Management of Episcopal and Capitular Estates in Eng- "land," and under the Expiring Laws Continuance Acts of 1866, 1867, 1868, and 1869.

We have, under the provisions of the 6th and 7th sections of the Act secondly above mentioned, transferred to the Ecclesiastical Commissioners for England during the past year a sum of 50,000*l.* in respect of the surplus proceeds of Enfranchisements completed. The aggregate amount which has been paid over or transferred to the account of the Ecclesiastical Commissioners is now 1,450,207*l.* 2*s.* 2*d.*, in addition to 180,000*l.* in respect of interest which has accrued on the surplus.

We last year reported that the transactions approved by us, between August 1851 and March 1869, were 3,043 in number, and that the value in fee of the Estates so agreed to be dealt with amounted to about 11,405,000*l.*

We have during this year approved the terms agreed upon in 54 cases; 53 being cases of sales of reversions, and 1 a case of a purchase of a leasehold interest, and the value in fee of the Estates so agreed to be dealt with is approximately 63,000*l.* The aggregate number of cases approved by us is therefore 3,097, and the value of the property dealt with amounts to about 11,468,000*l.* In 4 cases we declined to approve the terms proposed.

We set forth in Schedule A. all the cases in which during the past year we have approved sales of reversions or purchases of leasehold interests; and in Schedule B. the proposed sales of reversions which we have declined to sanction.

In Schedule A. are also set forth 2 cases of enfranchisement of copyholds of inheritance effected under the abovementioned Acts.

We have the honour to be,
Sir,
Your most obedient Servants,

CHICHESTER.
T. D. ACLAND, Junr.
EDW. HOWES.

The Right Honourable
The Secretary of State
for the Home Department.
